## Thoughts from Fr. Tom

Today we celebrate the **Feast of the Most Holy Body and Blood of Christ**, often referred to as Corpus Christi. As we hear Jesus say in the Gospel: ***I am the living bread that came down from heaven; whoever eats this bread will live forever.*** This feast reminds us of the powerful gift of Christ's presence in the Eucharist and the promise of eternal life that Christ offers us. Our participation in the Eucharist is essential to our faith and helps us recognize Jesus as the true Bread from Heaven and the source of our salvation. As we receive the Eucharist at Mass, let us always recognize the powerful gift being shared with us.

The Church in the United States has been focused on a 3-year **Eucharistic Revival** to help strengthen the belief of the faithful in the Real Presence of Jesus in the Eucharist. This last year of the revival has an emphasis on parish life and ways we can foster the importance of the Eucharist in our daily lives. At Presentation, we are offering a series on the Eucharist by Bishop Barron every Thursday in June. All are welcome to join us on the remaining two Thursdays.

Although participation in the Eucharist on the weekend should always be a priority, we also offer daily Mass and Eucharistic Adoration during the week. These are great ways to be in the presence of the Lord and grow in your faith life. Try one or both and see what a difference it makes in your life.

Also, this Sunday, June 11, you can join in the **Corpus Christi procession** beginning about 3:00 p.m. We will start in church and weather permitting, have a short procession around our campus and then return to church for a period of Adoration. It will last about one hour. Please take advantage of all the ways we offer to deepen your faith and trust in the Eucharist.

Next weekend is **Father's Day weekend**. We will offer a **special blessing** for fathers at all the Masses. Please be sure to return the **Father's Day envelope** included in your June packet or fill out your own envelope marked Father's Day and return by the end of the week. You can also use Online Giving. We will include these envelopes in our entrance processions and our prayers at Mass.

Next weekend we will also welcome Fr. Lawrence Tucker from the Society of Our Lady of the Most Holy Trinity (SOLT) to give our annual **Missionary Appeal**. He will be preaching at all the Masses and there will be a second collection to support the work of their community. More information

## Annual Mission Cooperation Appeal June 17-18

Next weekend, Fr. Lawrence E. Tucker from the Society of Our Lady of the Most Holy Trinity (SOLT) will give a mission appeal at our parish. Serving in 12 countries including the United States, SOLT Missionaries bring hope and the love of Jesus and Mary to people living in impoverished conditions. They serve migrant farm workers, refugees, Native Americans, orphans, the elderly, families and those undergoing drug rehabilitation. SOLT missionaries serve in parishes and schools giving the sacraments and teaching catechism in remote areas. They also care for the needs of the poor through community and family development projects such as clean water, food and medical care. Your generosity makes it possible for these missionaries to bring Christ to the poor.

Please be generous!

### El cuerpo y la sangre de Cristo

En los dos años que llevo de experiencia como sacerdote me he dado cuenta de que varias por no decir todas las culturas nos reunimos entorno a la mesa y nos encanta compartir los alimentos juntos. Es decir, las reuniones y celebraciones casi siempre tienen que ver con la comida y la bebida. Según la tradición judía compartir un plato de comida con otra persona es desearle un día mas de vida.

Medicamente esta comprobado que la media de los seres humanos muere en 10 días de no ingerir alimentos. Aunque en algunos casos las personas pueden vivir semanas debido a los líquidos espesos que se les administra.

Dios creo al hombre libre y lo constituyo de alma y cuerpo, ahora nuestra misión es mantener vivos el alma y el cuerpo, el alma es espiritual por lo que el alimento tiene que ser espiritual para su sobrevivencia y desarrollo; el cuerpo es material por lo que el alimento tiene que ser material para su sano desarrollo.

Cristo Jesús nos trajo el mejor de los alimentos espirituales, en otras palabras, la única fuente de sobrevivencia espiritual, el pan de vida, su cuerpo y su sangre. Muchas personas van por la vida con el espíritu muer-

to es mas ya no recuerdan cuando fue la ultima vez que se encontraron con Cristo si es que alguna vez se encontraron; otras muchas personas nunca se han encontrado con Cristo resucitado, no lo conocen no saben quien es, pero este es el día que la Iglesia nos da para primero creer en la presencia real de Cristo y compartirlo con los demás.

## News From El Salvador

Seven of our Scholarship Students from San Rafael Cedros are working on an Environmental Project called "Let's Sow Knowledge" as their service project for this year. Their objective is to promote awareness in children of the importance of caring for the environment and create awareness of the multiple environmental problems that arise in their community. "Let's Sow Knowledge" consists of three informational workshops and one recreational activity. The recreational activity gives the children a fun opportunity to put into practice what they have learned.
