*Remember our parish listening session for the Synod on Synodality in March 2022?*

**The Synod's diocesan, national, and continental stages are complete, and a committee is creating a document synthesizing all the feedback.**

## **Five Common Points of the Synod so far:**

**Listening:** Listening is an openness to begin with a desire for radical inclusion — no one excluded! — to be understood in a perspective of communion with our sisters and brothers and with our common Father. In this sense, listening is already missional and a proclamation.

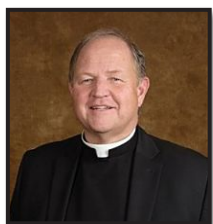

**Mission:** This is a mission that Catholics recognize must be carried out in the company of their brothers and sisters and in dialogue with believers of other religions, transforming human actions of care into authentically spiritual experiences that proclaim the face of a God who loves to the point of giving his own life so that we may have it in abundance.

**Participation:** the taking on of a style based on the participation — which also means a shared responsibility — of all the baptized, stemming from our common baptismal dignity, in the commitment to carry out the Church's one mission.

**Possibilities:** the construction of concrete possibilities for living communion, participation and mission through structures and institutions inhabited by people adequately formed and sustained by a vibrant spirituality.

**Liturgy:** the liturgy, in particular the Eucharistic liturgy, is the source and summit of the Christian life, which brings the community together, making communion tangible, allows the exercise of participation, and nourishes with the Word and the Sacraments the impetus towards mission.

# Thoughts from Fr. Tom

This weekend we celebrate the **Twelfth Sunday in Ordinary Time**. In the Gospel for this weekend, Jesus is preparing his disciples for their mission to proclaim the Kingdom and share the Good News with the world. Jesus instructs his disciples to **fear no one** and **do not be afraid**. Jesus calls the disciples to be bold even in the face of persecution. If they face opposition, and Jesus ensures them they will, they are to keep preaching anyway. With the power of God with them, there is nothing that can overcome them. This Gospel also reminds us that God values each of us and sees us as a precious gift. We should never underestimate the care and concern God has for his creation, especially each of us. May the witness of our faith always remind others of how loved they are by God.

This weekend we welcome the **Little Sisters of the Poor** from our local area who will be sharing with us the important work of their community and ways we can help support their ongoing care of the elderly and poor. The Little Sisters are a true gift to our diocese. They will be taking donations after Mass. If you did not get a chance to make a contribution today, you can do so in the coming weeks.

This week begins our annual **Vacation Bible School**. We are blessed to offer this opportunity to many of the young children from our parish. They will be joining a number of youth and adult volunteers as they spend the week exploring our faith in creative and meaningful ways. This is a great way for our children to grow in their faith during the summer months. We are grateful for those who give of their time and talent to help with VBS. A special thanks to Jo Engert and Kathy Lackamp in our Children's Faith Formation ministry, and our Youth Ministry Director, Michael Nations, and all the youth and adult volunteers for their leadership.

Thanks to those who have already made a contribution to support our special summer appeal for the **Future Projects Fund**. We have already begun some of the projects we would like to complete this summer or early fall. The biggest project is the extension of our parking lot on the north side. This will provide needed parking spots for our parish and school activities on a weekly basis. We can use everyone's help to financially support this work. Your contributions will minimize our need to take from parish reserves and allow us to stay fiscally strong. You can make a contribution through the envelope provided in the recent mailing or through Online Giving. Thanks for your generosity and support.

Please remember that we need volunteers throughout the summer to fill our volunteer obligations at our service partners, **One City Café** (Bishop Sullivan Center) and **Uplift**. Please see the bulletin or our website to sign up for open slots or call our Youth Ministry Office.

**Many Blessings!**

## Little Sisters of the Poor Appeal June 24-25

This weekend, June 24–25, the Little Sisters of the Poor will visit our Parish to share their vocation of hospitality to the elderly. The Jeanne Jugan Center in Kansas City, is one of 167 Homes for the elderly poor operated by the Little Sisters in 31 countries around the world. Although 100% of the Residents receive Medicaid assistance, Medicaid currently covers less than 60% of the cost of caring for the residents in a manner that makes them happy and respects their dignity. The Little Sisters have ministered to thousands of Greater Kansas City elders for over 140 years. Your support will enable them to continue their mission of caring for the neediest elderly of every race and religion in a spirit of reverence and of humble service. God bless you!

## News From El Salvador

### *A letter from Desyi*

Warm greetings. I hope you are in good health and that God is blessing your lives.

Well, first of all, I'd like to thank God for allowing me to write to you and have the opportunity to tell you about all the things we've been doing. I want to thank you for the unconditional support that you give not only to me, but also to more students from high school and university. Thank you for the support that you give us so that each one of us can improve our lives and become good professionals.

I wanted to tell you that I am studying to be a nurse at the university. I love this branch of medicine, as I like to deal with older patients and children. When I take my patient's blood pressure, they are easy to work with and they have conversations with me. Some clinical rotations I've had to do are from 7am to 5pm, lasting two weeks. It's a nice experience because we need to learn more about the healthcare field.

I live with my grandmother, sister and uncle. At home, my grandmother manufactures candles to sell to Catholics who light them in honor of the Divine Child Jesus. We manufacture the candles at home and deliver them to various places that order them. That's how my grandmother and I pay for food, electricity and water. I love helping my grandmother.

I want to thank each one of you because despite the distance you support us. I am very grateful to you because I can afford my university tuition fee. Thank you again for the support you give me to continue moving ahead.
