# Thoughts from Fr. Tom

## Happy Fourth Sunday of Advent and MERRY CHRISTMAS!

This year December 24 is the Fourth Sunday of Advent and Christmas Eve, which makes the Advent season the shortest it can be with the fourth week of Advent lasting less than one day. So, whether you are reading this bulletin after the Advent Mass or after one of our Christmas Masses (or at one of those Masses – just hopefully not during the homily!), this is a time for all of us to rejoice. The Gospel that ends Advent tells us of the visit by the angel Gabriel to Mary as she is told: **you will conceive and bear a son, and you shall name him Jesus.** And the Gospel for Christmas continues the story by having another angel say: **behold, I proclaim to you good news of great joy that will be for all the people. For today in the city of David a savior has been born who is Christ and Lord.** This good news of God taking on our human flesh through Jesus changed the world and continues to change our lives. May we live the spirit of Christmas throughout the year by joyfully proclaiming the good news of Jesus through our words and actions.

We extend **a special welcome** to all visitors joining us this time of year. If you are visiting family and friends or home from college we hope you enjoy your time with loved ones. If you are a visitor from the area and are looking for a church home, we invite you to share the gift of faith with us by becoming part of our parish family. We have a vibrant, faith-filled community with a variety of ministries and programs and you are always welcome to join us.

Remember that Christmas is not just a day, we make a whole season of it. **The Christmas season** lasts until the **Feast of the Baptism of the Lord** on Monday, January 8. The **Feast of the Holy Family** is next weekend, December 30-31. We will offer a special blessing for families at all the Masses. We will usher in the new year and celebrate the **Feast of Mary, the Mother of God** on Monday, January 1, at a special 9:00 a.m. Mass. The January 1 feast is not a holy day of obligation this year, but we hope you will join us. And the weekend of January 6-7 we will gather for the **Epiphany of our Lord**. Be sure to celebrate the fullness of Christmas by joining us for worship throughout this holy season.

Thank you to everyone who shared the light of Christ this Advent season through our various **service projects**. Your generosity helped us collect over 1000 gifts for those in need through our Advent Giving Tree. The gifts were distributed to several of our service partners, residents of area nursing homes, and our homebound parishioners. Let's keep the spirit of service alive throughout the year by supporting our ongoing service efforts.

**Many blessings to you and your families this Christmas and always!**

## News From El Salvador: Meet Michael

Michael is 20 years old and is in his first year at the University. He has been one of our Scholarship and Formation Students since 2020. When asked "what have been your greatest obstacles to continuing your education" he replied:

*"Since I was little, I dreamed about studying at the university and being a professional. It was my dream until, just before entering ninth grade, a problem arose. My mother got very sick, to the point of needing an operation. Being in that situation made it impossible for her to work, and my brothers and I also couldn't count on our father. I decided to go to work. My contributions weren't much, but it allowed my younger brothers to continue studying. For that situation, I stopped studying for a year. The following year, I was given the opportunity to return to my studies.*

*I graduated from ninth grade, and it was then that they spoke to me about the program. Thanks to the person who supported me in joining the program, I'm where I am now, always fighting for my goals. I ask God to help me achieve my goal of being a good doctor. I know it's a long and difficult road, but with His help, I'll be able to achieve it. When that happens, I hope to be able to exercise my profession. Later, after some time, I would like to specialize in order to be able to help my family and the community. For the moment, I'm only thinking about giving my studies my best effort, learning a lot and later being able to put all my knowledge into practice."*

**Thank you for your generous support.**
