

# Panther Partners

The Panther Partner program provides businesses and individual donors a way to make or pledge a donation to our school for the entire school year. The program eliminates multiple donation requests to that business or family and cuts down on the number of volunteers needed to secure our event donations. The program provides many opportunities for our sponsors to be recognized during the school year for their generosity.

**The Panther Partner Program offers your business many opportunities for recognition and marketing not only among our school community, but also to our 2,400+ parish families and to the Lee's Summit community at large. Our families are very loyal to the companies that support OLP and your continued support is greatly appreciated.**

## *A few of the benefits available:*

- Your name or business logo in our published material, such as: Student Yearbook, School Newsletters, etc.
  - Sponsor recognition digitally displayed in our gymnasium year-round.
  - Name recognition or promotion of your business via our social media accounts including Facebook, Instagram & Twitter as well as the school website.
  - Name recognition or promotion of your business on banners displayed at our special events.
- See the enclosed information for a full listing of marketing benefits.

## *Where does my donation go?*

Your donation directly benefits the children of Our Lady of the Presentation School. Tuition does not cover the full cost of educating our children. OLP relies on the generosity of supporters, like you, to continue to provide quality Catholic education at an affordable cost.

## *When can I donate?*

We will accept donations at any time during the school year however, due to the timing of each of our special events, donations received after Aug. 31 may not receive full marketing exposure.

## *Can I donate a product or service?*

We are happy to receive products or services as a donation. These items will be used as raffle or auction items at one of our community-building events.

## *Whom do I contact with questions?*

Please email [pantherpartners@olplsschool.org](mailto:pantherpartners@olplsschool.org) with any questions.
