

# PANTHER PRINTS

**October 2025**

Dear OLP Families,

The transition into Fall and the changing of the seasons is always such an exciting and refreshing time. Just as the colors around us begin to shift, I see our students stepping into this new season with growth and maturity. They are embracing the expectations of their new teachers and grade levels, and it is a joy to watch them thrive.

As we move into October, I'd like to share some upcoming events and important dates with you:

• **Respect Life Day – October 2**

Our students in grades 7 and 8 will take part in a special day of reflection and learning focused on life issues. They will hear from individuals and organizations in our community who work to preserve the sanctity of life. Students from other area Catholic schools will also join us, making this a truly special experience of faith and fellowship.

• **FIRE Week – Week of October 13**

We will celebrate Fire Week with many exciting events, culminating in the FIRE Ball. Thank you to those who have worked so hard to plan and support this year's celebration. FIRE Week is a beautiful opportunity to honor the diversity and individuality of our students, recognizing their unique learning styles, strengths, and abilities. Please be on the lookout for more details to come.

• **End of First Quarter – October 20**

The first quarter will conclude on this date.

• **Parent-Teacher Conferences – October 23**

Conferences will provide an important opportunity to connect with your child's teacher and partner together in supporting their growth this year. There is a link below in the newsletter to sign up for your conference time.

• **Trunk or Treat – October 24**

Join us for a fun evening of community and fellowship at our annual Trunk or Treat! This is always a highlight for families and students alike. Information on purchasing tickets will be shared soon. Trunk or Treat is planned by our 8th grade students and their families and all money raised goes to a fund for their graduation events and celebration.

• **3rd & 4th Grade Fall Concert – October 28**

Our 3rd and 4th grade students will welcome the season with a Fall/Halloween-themed concert. We are so proud of their hard work and look forward to sharing their talents with you.

Thank you for your continued support and involvement in our school community. This year is off to a wonderful start, and I am grateful for the partnership we share in guiding your children academically, spiritually, and personally. I look forward to seeing many of you at our upcoming events.

With gratitude and blessings,

*Mrs. Marianne H. Organ*

## A message from Father Tom Holder

It's hard to believe October is just around the corner, but it has been nice to have some cooler weather as fall begins and the blessing of a new season arrives. We ended up having great weather last Friday for the annual Golf Tournament and another full tournament of golfers. Thanks to everyone who participated and supported the event. A special thanks to Nicolette Fuchs and Kelly John for once again organizing the event and making it a great success.

We have continued focusing on our *"Simply Serve"* theme at our School Masses and throughout the week. The teachers and students have already been finding creative ways to incorporate the theme into daily activities and they have been gaining inspiration from some of the saints in our tradition. I encourage you to also find ways as a family to live the spirit of Simply Serve. A big thanks to the PTO for providing the Simply Serve t-shirts that our students can wear to school Mass.

On Thursday, October 16, at 6:30pm we will be hosting a parish-wide *"Simply Serve"* Evening of Reflection in the church. All adults are invited as we focus on building a culture where service is at the heart of our faith and lives. Please take time to join us.

In our faith tradition, the month of October is designated as a month to **honor Mary, our Blessed Mother**, and to focus on **Respect Life** issues. Throughout the month of October, we offer various opportunities to pray the Rosary in the parish and school. Before each weekend Mass in October, we will pray the Rosary 25 minutes before Mass begins. Come a little early and join in the prayer. The school will pray a Living Rosary the afternoon of Friday, October 10. We will also have an outdoor Rosary in honor of Our Lady of Fatima on Saturday, October 11, at 11am by the Mary garden on the north side. Make the Rosary a regular habit of prayer in your family.

October is also **Respect Life Month** in the Church. This is a time to raise awareness about the various life issues in our world. As people of faith, we are called to protect life from conception to a natural death. Many of the service partners our students learn about and work with through the school year are focused on protecting life. Take time as a family to learn about the life issues and talk about ways we can all show greater respect for life.

October 4 is the feast day of one of our more well-known saints, **St. Francis of Assisi**. Because of his love for creation and all of God's creatures, one of the ways we celebrate him every year is with a *Blessing of Pets*. We will offer this special blessing on Saturday, October 4, at 3:00pm in the new parking lot addition next to the Gym entrance. This is a great way to gather with your children and your family pets and connect a fun tradition with family life. Please join us.

*Many Blessings!*

**"DO SMALL THINGS WITH GREAT LOVE"**

## OUR SCHOOL

### FROM MS PIERSON SCHOOL SOCIAL WORKER

Dear Parents,

We are in the second unit of Friendlyzy. Time flies when you are having fun! This month we are teaching the students the Catchphrase **LISTEN UP!** In this unit we will learn about **Whole Body Listening**; learning to listen with our whole selves so that others feel seen, heard, and valued.

**Catchphrase** (main point for students to catch on to): **"Listen Up!"**

**Key Verses** (Biblical anchor points):

**Deuteronomy 6:4-5:** "Hear, O Israel! The Lord is our God, the Lord is one! You shall love the Lord your God with all your heart and with all your soul and with all your might."

**Proverbs 2:2:** "Tune your ears to wisdom, and concentrate on understanding."

Here's what Whole Body Listening entails. Whole Body Listening is a concept we will learn in this lesson to help focus and actively listen with more than just our ears. It involves ALL of these parts of our body: ears, eyes, brain, mouth, heart, hands, and feet. We can learn to be whole body listeners through Friendlyzy!

We encourage you to **Continue the Friendlyzy Conversation** with your student!! Here are the main points your student will learn in Unit 2:

- 1. Listening is a whole-body activity.** Turn your body toward the person speaking and use your eyes to SEE the person's expressions and posture, your ears to TAKE IN what they are saying, your heart to RELATE to whatever emotions they are communicating so that you can RESPOND with wisdom and love, in words if necessary.
- 2. Listening can keep peace.** When we are quick to listen and slow to speak, we can be sure we are understanding others more clearly before we jump to conclusions or have misunderstandings that lead to hurt feelings and anger. Wait to speak until you are sure you understand.
- 3. Listening demands good questions.** Some people need to be drawn out. Some people need help making their point. Questions like, "tell me more" and "how does that make you feel?" can be powerful to help people feel loved and safe in friendship. Be curious about your friends.
- 4. Wise words heal hearts.** Affirming words that follow active listening can heal hearts and build friendships. When we "concentrate on understanding", we will respond to our friends with wisdom and encouragement that builds friendships and changes the culture of our schools.

#### G.E.A.R. Up to Listen Up! ///

**G—Get Quiet:** Turning off the external noise of media creates space to focus on quieting down the internal conversations happening in our own minds.

**E—Engage:** Be present in conversations by actively listening with your whole body. When appropriate, engage, and ask questions. Practice patience, wait for your turn to talk, and be careful not to interrupt.

**A—Accept:** Actively listening is a way we accept the gift of what others are sharing. Let's be friends who accept the gift of other's stories, receiving them with kindness and respect.

**R—Respond:** Responding with whole-body listening communicates we are engaged, we care, and we're listening.

#### ASK THOUGHTFUL QUESTIONS ///

Next time you have your eyes glued to a screen and begin to tune out the world around you, consider pausing and asking yourself these helpful questions to practice the skills of self-awareness and social awareness in your home:

- > What is happening around me?
- > Who is present in the room that I need to be aware of?
- > Do I need to pay attention to them?

#### WE'D LOVE TO HEAR FROM YOU ///

Has there been a time this month that you "caught" your child using whole body listening, tell us about it!

#### We are better and stronger together!

Blessings,

Kelley Pierson

Social Worker

## VOLUNTEER OPPORTUNITIES

\*\*All volunteers are required to complete Virtus Training ([virtusonline.org](http://virtusonline.org) and <https://protectmokids.com/>).
