

PRE-K MASS SCHEDULE

2023/2024

Parents,

Listed below are the dates that your Pre-K student **will be attending** Mass at Our Lady of the Presentation Church. All full-time classes and M/W/F classes will attend on Wednesday. We require that you have your child to school no later than 8:00 AM on Mass days. Mass begins promptly at 8:15 and we must organize and walk the children over to the church and be seated by that time. If for some reason you will not be able to arrive with your child by 8:00 AM then we ask that you accompany your child over to the church and have them settled prior to 8:15 AM. We request out of respect for our Priest and everyone attending Mass that you do not walk your child through the church to their class if Mass has already started. If you cannot arrive by Mass time then we ask that you do not bring your child to school until 9:15 AM or be prepared to take them to another Pre-K room until their class returns from Mass. We understand that this may make some mornings a little more hectic than others and that is why we make sure parents are aware of Mass times in advance. This is a very important part of our school identity and we are honored that we are able to participate and share our faith with your child. Your child's classroom teacher will be incorporating different parts of Mass into their religion lessons. If we will not be attending Mass due to inclement weather we will try to let families know as soon as possible through our text notification system. Due to increased enrollment at the school and ECC our Pre-K classes have been divided into groups and each group will alternate Mass attendance.
