

Miss Anne's News from Room 5

Week of March 27-31, 2023

How can it already be the end of March? It's hard to believe it! This week we will have some Easter fun as we get ready for our Easter Egg Hunt. Our class will hunt at 9:30 on Wednesday.
* Your child may bring an Easter Basket from home for the hunt.*

We will make Easter Bunnies on our egg hunt day. Another fun project we will have is to make palm branches on Thursday. We will use these on Friday, our last class before Holy Week begins on Palm Sunday. Room 5 always parades through the halls with our palm branches as we sing "Ho Ho Ho Hosanna".

We've been enjoying stories of Jesus and his parables during Lent. This week, in addition to the story of the Triumphal Entry, we will have the story of Zacchaeus.

We have been trying to get outside as much as possible, if the weather is dry. March hasn't been as warm as we would like, and those north winds are still biting, especially in the morning. Please remember to dress your child for the cool mornings, not for the afternoon high forecast. We still need warm coats in the mornings!

You might check your child's spare clothing stash in his/her cubby. We discovered a couple of times last week when there were accidents that we have outgrown our spare shoes!! Always be sure that your child has 2 complete changes of clothes—underwear, socks, pants and shirts. When it finally decides to stay warm, you can switch out long pants and long sleeves for shorts and short sleeves!

Have a great weekend! — Miss Anne
