We offer Mass intentions not only for our loved ones who have died, but also for those who are still with us. Having a Mass said is a wonderful way to celebrate someone's birthday or anniversary, journey with them through struggles and illness, or give thanks for their presence in your life. Contact Kristina with your Mass intentions today.

The Sacred Paschal Triduum

Christians observe Easter on the first Sunday after the first full moon that follows the vernal equinox. For Christians, Easter is the anniversary of the creation of the world.

Did you know that the full moon rises just as the sun sets? And that it sets when the sun rises? On the night of a full moon there is no moment of the night when the moon isn't shining. Christians think that this phenomenon makes a wonderful image of heaven's perpetual light. Easter is our sacramental entrance into the light of Christ, the light of eternity.

The Sacred Paschal Triduum, the three-day Passover of the Lord, is our Easter festival. It begins on Holy Thursday at sunset. We count the days in the Jewish manner, from sunset to sunset. In this way the Triduum begins on the biblical "sixth day of the week," the day God created human beings. Its middle day is the "seventh day of the week," the Sabbath, the day of rest. And its final day is the "first day of the week," the day God began the work of creation by creating light and separating it from darkness. God the Father chose a "first day" to raise his Son from the dead. God the Spirit gave birth to the Church on a "first day" as well, the day of Pentecost.
