Happy new year families! ☺

I hope you all had a beautiful and blessed holiday time!

We have started out the new year in our classroom by jumping right back into learning! Our faith focus this week has been on Epiphany. In math, we are learning how to use different strategies to add numbers to 20 such as number lines and counting on. In reading and language arts, we're exploring beginning digraphs and blends. Lastly, science and social studies lessons have been on penguin adaptations and community helpers.

We are planning a field trip to the Shiawassee Arts Center on Wednesday, January 18. The children will be putting together special class projects for our upcoming dinner auction! There is a permission slip in your child's F.R.O.G. folder. Our annual dinner auction is coming soon! Your raffle ticket sales and donations are so vital to its success! Thank you in advance for your support!

Please don't forget to take advantage of applying for financial aid/registration for next school year! The deadline is March 1st. You will also be eligible for a discount!

Have a blessed and happy weekend!

Ms. Jones
