Hello families!

Thank you very much for making sure your children have warm winter wear! Our school's policy is that children can go outside for recess unless the wind chill is below 0 degrees. If there is snow, they are welcome to play in it providing they have snow pants.

I hope you have had the opportunity to review your child's latest report card on Power school. If you are having any trouble doing so, please contact the office.

Your children have been completing their NWEA testing this week. I am SO thrilled with their scores! All of them have shown significant growth in reading and math. 😊

Catholic School's week begins on Sunday, January 28th with Mass here at St. Joseph church at 9:30 A.M. It will be followed by refreshments and special entertainment (Good News Guys) in our school's gym! Each day of the week will have a special theme, activity and dress opportunity (see events). The week will end with a super fun Winter Carnival on Friday, Feb. 2 from 6-8 P.M. We hope to see you there! 😊

Blessings,

Ms. Jones
