Hello Families! What a beautiful week we have had celebrating the many ways the light of Christ shines here at St. Paul Catholic School as we celebrate Catholic Schools Week! I am sure those of you who were able to attend our kick off on Sunday would agree the students did a beautiful job facilitating the Mass, and the "Good News Guys" were awesome! We have been enjoying all of the fun this week with our board games, Luau, Bluewave Games, Saint Bingo, and even took time to thank some of our local businesses who support us all year. We are excited to close out the week with our carnival tonight. Thank you so much to the PTC, such wonderful lights of Christ, who have helped with so much of the fun! We could not provide such a special week for your kiddos without your help. You are much appreciated!!

We have concluded our second NWEA testing window. Reports for those will be sent home next week. Report cards will be available to view by Monday afternoon. I apologize for the delay as we have been working through some technical difficulties and am appreciative of your patience!

Please renew your registration for the 2024-2025 school year asap. The enrollment season is upon us and we want to be sure we have our current families registered as news of the Grand Campaign spreads. Thank you for your help with this! Have a blessed weekend!

The season of Lent is fast approaching! Every day of the forty-day Lenten season is an opportunity to live simply and prepare for Easter. Our Lenten journey as a school family begins with *The Kindness Project*— sponsored by Ms. Shari. Ask your kiddos about how they are showing kindness. Please watch for further details as more Lenten plans unfold.

SILENT AUCTION

Our school auction, our biggest fundraiser, would not be successful without the hands and hearts of our parish and school families. We are often asked, "how can we help?" Listed below is a sampling of ideas for items that we use to create themed baskets for our silent auction. If you are interested in donating any new items for our event baskets, please drop them at the school office by April 1st. God bless you for your generosity!

VIRTUE OF THE WEEK

COURTESY

MEANING: TREATING OTHER PEOPLE WITH RESPECT,
RECOGNIZING THAT ALL ARE MADE
IN GOD'S IMAGE AND LIKENESS

LOOKS LIKE:

- Letting others go first
- Letting others speak first
- Making eye contact
- Holding the door open for another
- Picking up a dropped item for someone

SOUNDS LIKE:

- You can go ahead of me.
- You can ask your question first.
- Silence
- Let me hold the door for you.
- Let me get this for you.

STUDENT SPOTLIGHT

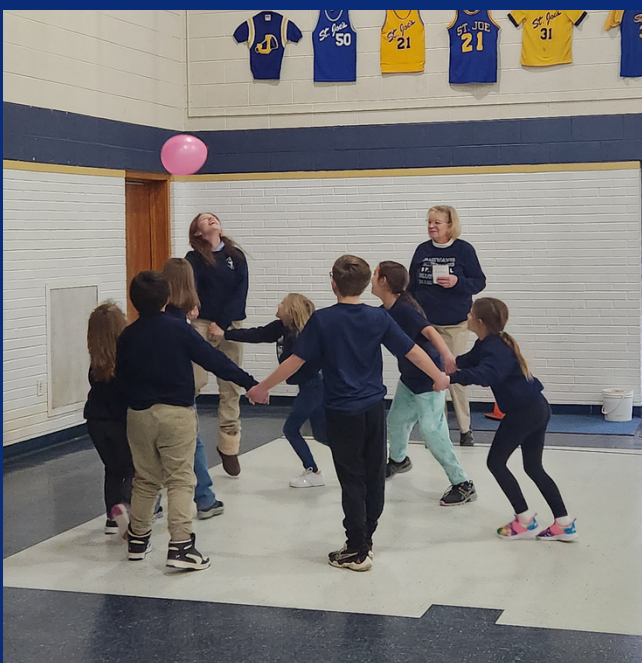

William is a 4th grader who loves spaghetti and Komodo Dragons— because they are extreme animals. In his free time he does what he likes; he likes to be free. William is proud to share that his Great Uncle Bill served in the Navy during WWII.
