

IMMACULATE
HEART OF MARY
CATHOLIC CHURCH

SIXTEENTH SUNDAY IN ORDINARY TIME | JULY 21, 2019

FROM OUR PASTOR

Dear friends in the Lord,

I've confessed to you in the past my love affair with books. I wish that I could report that storing 40 heavy book boxes in my office since my arrival four years ago—or the prospect of moving them all into the new rectory next month—had weakened my inordinate attachment to the things, but... no. The list of new books I want to read and classics I want to re-read seems endless. I blame the addiction on my mother, who read to me every night when I was a toddler. (Parents, beware: you might be creating a monster!)

Goethe wrote that one "should hear a little music, read a little poetry, and see a fine picture every day, in order that worldly cares may not obliterate the sense of the beautiful which God has implanted in the human soul." My first spiritual director's advice wasn't very different: always to be reading one good book on scripture or theology or spirituality, and at the same time—and sometimes even more important—a novel, to make sure that the religious imagination remains connected to the stuff of ordinary life. That counsel has served me well over the years.

Friends and parishioners often ask me what I'm reading. These are the books at my bedside right now: *The Guarded Gate: Bigotry, Eugenics and the Law That Kept Two Generations of Jews, Italians, and Other European Immigrants Out of America* by Daniel Okrent is a sad story of the triumph of ignorance in the mid-nineteenth and early twentieth centuries. During that time immigration from Europe increased many-fold, and much of it was of Catholics and Jews from southern and eastern Europe. Parts of the political establishment feared being outnumbered by these "undesirables," and eventually joined forces with the growing junk science of eugenics in order to justify keeping lesser "races" out of America. I need not add that the book is a cautionary tale for us in the present day.

And in preparation for next year's Holy Land pilgrimage, I'm re-reading *From the Holy Mountain* by William Dalrymple. In the spring of the year 587, the monks John Moschos and his pupil Sophronius embarked on a remarkable expedition from the shores of Bosphorus to the sand dunes of Egypt. Dalrymple retraces the footsteps of these monks, creating a moving elegy to the slowly dying civilization of Eastern Christianity and the people who are struggling to keep its flame alive.

Priests in religious orders, who take the vow of poverty, used to write in their books "*Ad usum*," meaning that they did not "own" the book, but that it was merely for their "use." I like that idea—and it helps assuage the guilt of "using" so very many books! But it also means that I'm happy to share. If I write or preach about a book that piques your interest, just let me know, and I'll gladly pass it along.

Your brother in Christ's word and work,

WELCOME!

Many thanks to Father Fred Wendel and Father Richard Tibbetts, who celebrate Masses for us this weekend!

Father Fred was IHM's pastor 1998-2002, and he just retired July 1.

Father Richard is the retired pastor of Holy Cross Church in Tucker.

STEWARDSHIP

THANK YOU to the hundreds of households who have responded with a pledge to the 2019 Archbishop's Annual Appeal! Our gifts to the Appeal each year support the countless works of faith and mercy that no single parish could ever undertake alone—like the formation of our future priests.

Our gifts also help secure the fiscal stability of our own parish, since any funds received over our parish goal return to us at IHM to help us meet the many ministry needs before us and to retire our church and rectory construction debt.

If you have not yet had an opportunity to make your pledge, please be generous. For more information, and to donate online, go to appeal.archatl.com.

HAVE YOU REMEMBERED IHM IN YOUR WILL?

A bequest to your parish will allow you to continue in death the Christian stewardship you practice in life. The Catholic Foundation of North Georgia can assist you in remembering IHM in your Will. Those who make a bequest or a planned gift to IHM become members of the parish Legacy Society and the Archdiocesan *Deo Gratias* Society. For more information, contact Juliette Greco of the Catholic Foundation of North Georgia at jgreco@cfnga.org or 404-497-9440.

GIVE BY TEXT!

You can now make a contribution to IHM with a quick text message! Simply send a text to **404-948-4757**. In the message just indicate the amount you would like to contribute. (Make sure to include the dollar sign before the amount. Example: \$25.) Within a few minutes, you'll be sent a text with a link to register. Click on the link and enter your cardholder name and credit or debit card information. Once your registration is complete, you will receive a text verification and a receipt via email. For future giving, simply send a text with the amount you wish to give, and it will process automatically!

ST. VINCENT DE PAUL HANDYMAN

If you need a handyman to help with small jobs around the house, you can hire a Safe Environment-approved volunteer from the IHM St. Vincent de Paul Conference to help you with your work. Simply make a donation SVDP of \$25.00 for every hour the volunteer spends on your job. This is a win, win, win situation: we help you, you help SVDP, and SVDP helps many in need. If you need assistance with small jobs around the house, call 770-986-4996 and ask for Dirk.

STEWARDSHIP THOUGHT FOR THE WEEK

"Martha, burdened with much serving, came to him and said, '...tell her to help me.' The Lord said to her in reply: 'Martha, Martha, you are anxious and worried about many things. There is need of only one thing. Mary has chosen the better part and it will not be taken from her.'" - Luke 10:40-42

Few stories in Scripture better portray the fact that stewardship is an attitude, not an activity. Martha was busy, but Mary had the right attitude. Prayer and time spent with Christ are essential.

GETTING TO KNOW OUR CATECHISTS

Dora D'Andrea, First Communion Preparation

Where are you from, and how long have you been at IHM?

I'm from Caracas, Venezuela and I have been at IHM for about 10 years.

What is your "day job"?

I'm a Principal Engineer at the Department of Watershed Management, DeKalb County. I manage capital improvement projects for the Scott Candler Water Treatment Plant and for the County Sanitary Sewer System.

How did you first become involved in this ministry?

When I signed up my children for the Gift program I realized they were looking for help. I met Ms. Alicia who welcomed me and my daughter with open arms and keeps inspiring us every year to be part of this great program

What do you find most rewarding about it?

I'm very lucky to be part of this ministry. I consider this the most important job I have because it gives me the opportunity to do something Jesus asked from all of us, "Spread the Good News." It is a special privilege being able to talk to children about Jesus and the sacraments and teaching them the meaning of life at their level of comprehension. Every year I learn much more than I give. When I see the children from the previous year greeting me in the halls, I feel very happy.
