HEART OF MARY  
CATHOLIC CHURCH

THE EPIPHANY OF THE LORD | JANUARY 5, 2020

## FROM OUR PASTOR

Dear friends in the Word Made Flesh,

The readings from Sacred Scripture at Mass this time of year challenge us to deepen our awareness of the needs of refugees, displaced persons, migrants and exiles around the world—and of immigrants in our own land.

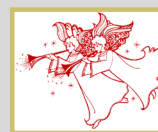

The Christmas gospel itself, of course, is the story of a woman with child and her husband uprooted from their home by decree of an alien occupying power, who find themselves unwelcome and without shelter in an unfamiliar city. Shortly after the child's birth, the same family find themselves refugees in Egypt, again in a land where their language is not spoken and where they would receive the scorn and rejection that sinful societies reserve for the stranger and immigrant.

From the beginning of salvation history, care for and protection of the stranger have been among God's first injunctions to his people. The book of Leviticus articulates a commandment repeated throughout the Hebrew scriptures: "When an alien resides with you in your land, do not molest him. You shall treat the alien who resides with you no differently than the natives born among you; have the same love for him as for yourself; for you too were once aliens in the land of Egypt" (19:33-34).

And the New Testament identifies the stranger we are called to serve with the very person of Christ: "For I was hungry and you gave me food, I was thirsty and you gave me drink, a stranger and you welcomed me..." (Matthew 25:35).

I hope it goes without saying that, while our nation struggles with the moral imperative to accomplish comprehensive immigration reform (<http://tiny.cc/reformfaq>), all God's people will continue to find a Christ-like welcome at IHM—with those in need finding the preferential welcome demanded by the scriptures and our Catholic tradition. For they are, wherever their origin and whatever their language, indeed sisters and brothers to us.

Your brother in Christ's word and work,

“The Epiphany in Christian Art”

Longing for God shatters our dreary routines  
and impels us to make the changes we want and need.  
Longing for God has its roots in the past yet does not remain there:  
it reaches out to the future.

Believers who feel this longing are led by faith to seek God,  
as the Magi did, in the most distant corners of history,  
for they know that there the Lord awaits them.  
They go to the peripheries, to the frontiers, to places not yet evangelized,  
to encounter their Lord. . . .

The Magi experienced longing; they were tired of the usual fare.  
They were all too familiar with, and weary of, the Herods of their own day.

But there, in Bethlehem, was a promise of newness, of gratuitousness.

There, something new was taking place.

The Magi were able to worship, because they had the courage to set out.  
And as they fell to their knees before the small, poor and vulnerable Infant,  
the unexpected and unknown Child of Bethlehem,  
they discovered the glory of God.

**What's Next?: Canon Law and Lay Involvement in Church Governance**

Wednesday January 15, 2020, 7:30 – 9:00pm

Rev. Thomas P. Doyle

The law of the Church can be a support or a hindrance to lay involvement in the governance of the Church. This presentation will take a look at Canon Law as it relates to transparency, governance and accountability of clergy and hierarchy with suggestions for what needs to move us toward a Church in which all baptized believers have a voice in decisions affecting their lives in the Church.

Rev. Thomas P. Doyle, who has a doctorate in canon law and five master's degrees, became involved with the issue of sexual abuse of children by Catholic clergy while serving at the Vatican Embassy. For over 30 years, he has been an expert in the canonical and pastoral dimensions of this problem—working directly with victims, their families, accused priests, and Church officials.
