Level 1 Catechesis of the Good Shepherd

Originated in 1954 by Sofia Cavalletti, a biblical scholar, and Gianna Gobbi, an educator of children and teachers, Level 1 Catechesis of the Good Shepherd helps the young child ages 3-6 (and their catechists) enter into a personal, intimate relationship with Jesus. It seeks to create a sacred space for children called the Atrium, in which both the children and their catechists can hear, ponder and celebrate the most essential mysteries of our Catholic faith as revealed in Scriptures and the Liturgy. This leads little children, and quite often their entire families to come to a deep appreciation for the sacraments and above all, the Eucharist.

Course Objectives

- To present the methodology and guiding principles of CGS for the 3-6 year old child
- To explore the religious nature and the most vital religious needs of the young child
- To meditate on the biblical and liturgical themes presented to children
- To offer guidelines and assistance for setting up an atrium, preparing an album and making materials
- To broaden the catechist's ability to observe and learn from children, to listen with children to Scripture and to deepen the catechist's enjoyment of God's presence
