Thank you for a successful Gatsby Gala Night

HFCA would like to thank everyone who contributed to making our Gatsby Gala Night a successful fundraising event and a wonderful time for all of our supporters to get together and have some fun. You can see some photos from the evening on page 3.

We would especially like to thank Ashley and Matthew Moffat for chairing the Gala committee this year with their enthusiasm and energy. We also want to thank all our donors and sponsors for supporting HFCA. Thanks also to all of our parent volunteers and staff for their time and effort in preparing auction items for the Gala.

How to Handle Allergies

This year allergy sufferers are noticing earlier symptoms, such as: watery, itchy eyes, runny nose, sneezing, coughing, and sinus like headaches.

Welcome Spring, trees and shrubs are blooming, and cars are covered in yellow and green pollen. So, for those kids and adults with seasonal allergies, it can be a miserable time.

Allergies and viral symptoms can be similar but there are some key differences. For example, think about the timeline. Does your child always have problems this time of the year?

Second, check for fever. Allergies do not cause fever.

OTC's, or Over the Counter medications, can be helpful. Check with your local pharmacy or drug store as to the various options, or consult your child's pediatrician if their allergies are more severe.

HFCA Eighth-grade students will present
