"PRAISED BE JESUS CHRIST!"
"PRAISE HIM NOW AND ALWAYS!"

THANK YOU TO EVERYONE who has donated toward the Popko Family from the Ukraine. Your generosity is much appreciated! Our community's generosity is wonderful! We have received plenty of hats, coats, mittens, etc. for the Popko family.

SOCIAL JUSTICE –Respect for the human person proceeds by way of respect for the principle that "everyone should look upon his neighbor (without any exception) as 'another self,' above all bearing in mind his life and the means necessary for living it with dignity." No legislation could by itself do away with the fear, prejudices, and attitudes of pride and selfishness which obstruct the establishment of truly fraternal societies. Such behavior will cease only through the charity that finds in every man a "neighbor" a brother. CCC 1931

POPE FRANCIS – "Let us ask ourselves: Am I aware that life and the faith are gifts I have received. Am I aware that I myself am a gift? Do I believe that everything comes from the grace of the Lord? Do I understand that, without merit, I am the beneficiary of these things, that I am loved and saved gratuitously? And above all, in response to grace, do I know how to say "thank you"? Do I know how to say "thanks"? The three phrases that are the secret of human coexistence: thanks, please, I'm sorry. Do I know how to say these three things? Thanks, please, I'm sorry, excuse me."

DAILY CATHOLIC WISDOM – "Loving as God loves means that our love must be permanent because God will not accept anything less than our total, complete, and lifelong commitment to serving Him. Racial injustice and prejudice are not only antithetical to loving as God loves but are also affronts to truth, freedom, and peace."

-Dcn Harold Burke-Sivers from his book *Building a Civilization of Love: A Catholic Response to Racism*

“Suffering means following and imitating Christ. Suffering for the sake of the kingdom has the power to convert people from sin and bring them to a higher degree of holiness and sanctity, and it is a key to overcoming racist and prejudiced attitudes within ourselves and in others.” -DC Harol Burke-Sivers

“The greater and more persistent your confidence in God, the more abundantly you will receive what you ask.” -St. Albert the Great patron of educators, philosophers, and scientists

NATURAL FAMILY PLANNING – Instructors Available.

Are you interested in learning the Marquette Method of Natural Family Planning? This is a high-tech way of monitoring your fertility to avoid or achieve pregnancy. The Marquette Method is in line with Church teaching and has been shown to be 98 percent effective at avoiding pregnancy when couples are using the method correctly. It uses the ClearBlue Fertility Monitor to track a woman's urinary hormone levels and give a picture of her fertility in real time. For a limited time, you can take this course for a discounted fee of \$50 per couple. (This price does not include the purchase of the monitor or test sticks). This course is available online, so you can learn from the privacy of your own home. If you would like more information, please call or email:

Tareyn Onderko, BSN, RN, Marquette Method Instructor in Training at 903-388-5482 or email tareyn@amongtheliliesnfp.com
Jessica Diaz, Marquette Method Instructor in Training, 307-257-4986 or email jdiaz@agapefertilityeducatio.net

There will be a **Respect Life Holy Hour** on the last Monday of this month, November 27th at 7pm. Come pray for each human life – the dignity and sanctity – the inestimable worth especially the least of God's children. In his encyclical *The Gospel of Life* Pope Saint John Paul II wrote that the Gospel of life is at the heart of Jesus' saving message to the world.

Come spend time with our Eucharistic Lord who is the Lord Jesus Christ, King of the Universe. The King of King and Lord of Lords will lead us to a culture of life.

SEEKING FINANCIAL HELP towards the mission church of St. Hubert. Please consider a donation toward the repairs/renovations. THANK YOU! Thank you to everyone who has contributed thus far 😊

"Mothers, do you teach your children the Christian prayers? Do you prepare them, in conjunction with the priests, for the sacraments that they receive when they are young: Confession, Communion and Confirmation? Do you encourage them when they are sick to think of Christ suffering to invoke the aid of the Blessed Virgin and the saints Do you say the family rosary together? And you, fathers, do you pray with your children, with the whole domestic community, at least sometimes? Your example of honesty in thought and action, joined to some common prayer, is a lesson for life, an act of worship of singular value. In this way you bring peace to your homes: Pax huic domui. Remember, it is thus that you build up the Church." *Pope Paul VI*

"Wisdom means knowing how to make room for silence, so as to be capable of listening to ourselves and others. It means knowing how to give up some of the time passed in front of the telephone screen to look at the light in the eyes of others, in one's own heart, in God's gaze upon us. It means not falling into the trap of activism, but devoting time to the Lord, to listening to His Word."

Pope Francis
