WORLDWIDE MARRIAGE ENCOUNTER

EXPERIENCE: As we near the end of Lent, you may find yourself in a place of growth and desiring more. The Worldwide Marriage Encounter Experience may fulfill that need. It is an opportunity to reflect on our personal life story and how that impacts our marriage as a couple. On the Experience you are led into a deeper reflection on the demands of family, the workplace, and the world in which we live. Like it or not, all of these demands impact a marriage on a daily basis. Whether you have been married 5 or 55 years, trust in the depth of your love to grow in your marriage. The next Experience will be in Elk Mountain, April 12-14. To learn more, watch:

THE FEAST OF THE DIVINE MERCY – Our Lord asked Sister Faustina to pray and work towards establishing a Feast of the Divine Mercy on the Sunday after Easter. He told her: On that day, the very depths of my mercy are open. I pour out a whole ocean of graces upon souls who approach the fount of My mercy; a day that would celebrate the Paschal Mystery with a focus on God's covenant of mercy. It would be a day of complete forgiveness and pardon. We receive this

forgiveness and pardon by going to confession eight days before or after Divine Mercy Sunday and in receiving Holy Communion on that day. We further honor the mercy of the Lord by our prayers and works of mercy.

The Rosary Guild invites you to join them in praying the Divine Mercy Novena at the following times at St. John the Baptist:

March 31 Easter Sunday at 10am after Mass

April 01 Easter Monday at 12:00pm noon & 7pm--(at 11:30am dress up the Narthex)

April 02 Easter Tuesday at 8:30am after Mass

April 03 Easter Wednesday at 8:30am after Mass

April 04 Easter Thursday at 8:30am after Mass

April 05 Easter Friday at 7:30am before Mass

April 06 Easter Saturday at 11:30 after confession

April 07 Divine Mercy Sunday at 3pm, Adoration, a Holy Hour of Mercy. A day of great grace.

Divine Mercy Rosaries, Pocket Chaplets, blessed by Father Jim Heiser, the Chaplet, Novena pamphlets and images, are all available in the vestibule from the Rosary Guild. Donations are welcomed.

480 LBS. of food this past week for the Food Panty! THANK YOU ALL for your almsgiving to those in need 😊

"The "blessed" are those who respond to the forms of poverty with love, with service: not by turning away, but by giving food and drink, by clothing, sheltering, visiting; in short, by being close to those in need. And this is because Jesus, our King, who calls himself the Son of man, finds his favourite sisters and brothers in the most fragile

women and men. His "regal hall" is set up where there are people who suffer and need help. This is the "court" of our King. And the style with which his friends, those who have Jesus as their Lord, are called to distinguish themselves is his own style: compassion, mercy, tenderness. They ennoble the heart and descend like oil on the wounds of those injured by life." -Pope Francis

"Everything is a reminder of the Cross. We ourselves are made in the shape of a cross."

—St. John Vianney

"The Cross is the word through which God has responded to evil in the world."

—Pope Francis

THANK YOU to all the ladies and to Darin Gagliano for preparing the church for Easter! It

looks and smells wonderful 😊

Cardinal virtue of patience

It the root of patience, the Pope stressed, is love. Even if being patient, often, is not easy, the Holy Father reminded those before him, of how patient the Lord is with us.

It could be said, he observed, that "there is no better testimony of Christ's love" than meeting a patient Christian.

"But think," the Holy Father marveled, "of how many mothers and fathers, workers, doctors and nurses, the sick, who every day, in obscurity, grace the world with saintly patience!"

"However, let us be honest," Pope Francis admitted, "we are often lacking in patience." He acknowledged that it is part of our human nature to be impatient and respond to evil with evil. "It is difficult to stay calm, control our instincts, restrain bad responses, defuse arguments and conflicts in the family, at work, and in the Christian community."

The Pope stressed that patience is not only a "necessity," but "a calling." "Let us not forget that haste and impatience are enemies of the spiritual life," he said, stressing, that God is love, and whoever loves, can work on learning how to wait."
