A Jubilee Minute: Jubilee of Ecclesial Movements, Associations and New Communities

This week's Reflection on the 2025 Jubilee Year of Hope by Deacon Jay Garland

The Jubilee of Ecclesial Movements, Associations and New Communities will be held from Saturday, June 7, to Sunday, June 8, 2025

Jubilees have always been seasons of good news and grace. They are a year of the Lord's favor which instills in our hearts the certain hope of salvation in our lives and the world in Jesus Christ. The Jubilee of the Year 2025, with its invitation to be renewed in this hope, is likewise a powerful testament to the transformative power of a genuine encounter with the saving love and liberating truth of the Lord Jesus.

In a special way, the dedication and energy of those involved in Ecclesial Movements, Associations and New Communities across dioceses and archdioceses embody that living

presence of Christ in our world, fostering a deeper sense of solidarity, communion and spiritual renewal. Examples include Catholic Charismatic Renewal, Cursillo, the Neocatechumenal Way, the Focolare Movement, Catholic Worker Movement, Community of the Beatitudes, and the Knights of Malta. The unwavering dedication and service of these faithful men and women shine as beacons of hope, illuminating the path of faith for countless people throughout our nation and world.

This Jubilee Year also provides a unique opportunity to recognize and celebrate the distinct ministries, charisms, and gifts of the Holy Spirit that these movements and communities bring to the Church. Their diverse expressions of faith and commitment enrich the spiritual tapestry in our dioceses, offering fresh perspectives and innovative approaches to evangelization and pastoral care. By embracing their unique contributions, we celebrate the unity in diversity that is a hallmark of the mystical Body of Christ that is the Catholic Church, acknowledging that each movement and community, regardless of its size or influence, plays a vital role in the Church's mission.

Let the steadfast faith and tireless efforts of the Ecclesial Movements, Associations and New Communities inspire us. Their example reminds us that we are all called to be permanent pilgrims of hope, continually seeking to grow in our relationship with God and one another. As we look forward to – and prepare for – the celebration of the 2000th anniversary of our redemption in 2033, may this Holy Year of 2025 be especially a time of profound spiritual renewal in hope, where we come together to celebrate the gifts of the Holy Spirit and recommit ourselves to the mission of sharing the Gospel with joy and fervor.

“The last degree of love is when He gave
Himself to us to be our Food.”

—St. Bernardine of Siena

“What was the first rule of our dear Savior’s life? You know it was to do his Father’s will. Well, then, the first end I propose in our daily work is to do the will of God; secondly, to do it in the manner he wills it; and thirdly, to do it because it is his will.”

—St. Elizabeth Ann Seton

quoted in the book, *St. Elizabeth Ann Seton: A Spiritual Portrait*
