January 2010

Brothers & Sisters,

I want to wish each and everyone of you a Happy New Year!

The New Year of 2020 will be an exciting one for all of us. This year we celebrate the 300th jubilee year of our parish. Our parish has been blessed and this year we will come together as a family to give thanks to the Lord who has bestowed on His holy people and these holy grounds His ever-loving care and grace.

We and many visitors will come together to admire these sacred structures and to acknowledge the sacrifice that was made by those who came before us. The history of our mission will be the focus of many reports coming out of the press. Let us always remember that this church, this parish came into existence by the faith, dedication and determination of a community whose sole purpose was to honor and give praise to our God.

Fr. Margil De Jesus did not come to this area just to construct churches or buildings. He came to spread the Gospel with the hope of building a faith filled community. His example of prayer and devotion to our Lord was a magnet to others to come and learn more about the saving power of Jesus.

We, today have been given the responsibility to continue the vision and mission of Fr. Margil. We are part of the history, the living history of Mission San Jose. We always need to remind ourselves and must teach our young that the foundation of our church is based on our Lord Jesus Christ. For 300 years thousands, hundreds of thousands have prayed on these sacred grounds and their prayers were heard. We walk by Faith not by Sight!

There will be many celebrations and services to commemorate this joyous occasion and enclosed you will see a full schedule of events that have been planned. Let us greet our visitors with a Mission San Jose hospitality and a welcoming spirit. Let them see that the mission is made up of more than brick and mortar but also a Christ centered community.

There are many organizations and groups who will be sponsoring the various events during the year.

When you visit please stop by and show your appreciation and thank them for their support.

So, let us begin this year of 2020 asking our Lord to bestow on us His blessings as we give thanks to Him above all for His love of Mission San Jose these past 300 years.

St. Joseph pray for us!

Blessed Margil pray for us!

Peace and all that is Good,

Fr. Rogelio
