Voices for a World Free of Nuclear Weapons

Cooperation Circle is composed of dynamic voices from across the political, professional, spiritual, and geographical spectrums who have united in a single purpose: to eliminate nuclear weapons once and for all. They recite the following prayer together:

“The Beginning and the End are in your hands, O Creator of the Universe. And in our hands you have placed the fate of this planet. We, who are tested by having both creative and destructive power in our free will, turn to you in sober fear and in intoxicating hope. We ask for your guidance and to share in your imagination in our deliberations about the use of nuclear force. Help us to lift the fog of atomic darkness that hovers so pervasively over our Earth, Your Earth, so that soon all eyes may see life magnified by your pure light. Bless all of us who wait today for your Presence and who dedicate ourselves to achieve your intended peace and rightful equilibrium on Earth. In the Name of all that is holy and all that is hoped. Amen.”

I want to make sure it is used by someone who loves music. Contact me after Mass or call the parish office 210-922-0543.
