Voting is an act of Love!

What an exciting accountability session we had on April 27! Candidates for City Council from Districts 1, 2 and 3 were present to respond to the conditions in our community and they pledged to work with COPS/Metro if they are elected, in order to solve problems and improve living for our children and grandchildren. The primary elections are over; there will be run-off elections in some districts and the field of 27 mayoral candidates has been whittled down to two: Gina Ortiz Jones and Rolando Pablos.

So, it's time for another accountability session, this time with the two mayoral candidates and council candidates from four districts. It promises to be an energized and focused session which will build our relationship with those to be elected in June.

I was amazed at the low turnout for voting in the primaries. Did people think they were unimportant? Are we so discouraged by politics these days that we don't want to be involved? I'm sure there are numerous reasons for not voting. However, if we are to improve our city, we must make our presence known by voting. So, COPS/Metro is sponsoring a new accountability session for these candidates.

May 18 (TODAY!)

3:00 – 4:30 p.m.

St Margaret Mary Community Center

1314 Fair Avenue

Our focus is on candidates responding to the needs surfaced through organizing meetings over the past month. The issues are safety, worker training and wages sufficient to support a family, responsive government and assuring that local tax funds (OUR money!) will be spent on our city, our neighborhoods, not enriching the wealthy from outside the city.

For this meeting to be successful, we need you!! If you have participated with COPS/Metro before, you know the energy and results. We have a 50 year success rate and we're getting stronger. There are two kinds of political power: money and people. If the people aren't there, then those who donate to campaigns will demand results for their purchase. So, let's make San Antonio the city it can be. Let's demand that candidates respond to our needs.

The future is in your hands. The power is in your showing up. Will you stand up to provide a city worthy of our children and grandchildren? See you there!

Fr. Dennis

Heavenly Father, we come before you today humbly asking for your guidance to foster unity within our community. Help us to set aside our differences and embrace the diversity around us, seeing each other as your beloved children. May we listen to one another with open hearts, build bridges of understanding, and work together to create a space where everyone feels valued and supported. Fill our hearts with compassion, forgiveness, and the desire to serve one another. Guide our leaders to make decisions that benefit the common good, and may our community be a beacon of peace and harmony. In Jesus' name, Amen.

The Jubilee Prayer

Father in heaven,
may the *faith* you have given us
in your son, Jesus Christ, our brother,
and the flame of *charity* enkindled
in our hearts by the Holy Spirit,
reawaken in us the blessed *hope*
for the coming of your Kingdom.

May your grace transform us
into tireless cultivators of the seeds of the Gospel.
May those seeds transform from within
both humanity and the whole cosmos
in the sure expectation
of a new heaven and a new earth,
when, with the powers of Evil vanquished,
your glory will shine eternally.

May the grace of the Jubilee
reawaken in us, *Pilgrims of Hope*,
a yearning for the treasures of heaven.

May that same grace spread
the joy and peace of our Redeemer
throughout the earth.

To you our God, eternally blessed,
be glory and praise for ever.

Amen

Franciscus
