GUATEMALA NEEDS OUR HELP

The catastrophic eruption of Guatemala's Volcán de Fuego has affected millions of people. Guatemala holds a special place in the hearts of the SMU Catholic Community. For years we have worked with International Esperanza Project (IEP) to improve the lives of impoverished Guatemalans by installing smoke free stoves in homes. IEP is working directly with a school in Alotenango to provide shoes for the children and their families. \$5 will allow them to buy one pair of shoes and to deliver it directly to those in need. If you would like to contribute to their relief effort, go to internationalesperanzaproject.org/donate/. Thank you for keeping the people of Guatemala in your prayers.
