You are invited to an enlightening and lively evening with one of the greatest minds in the Catholic world while sharing food, wine and conversation with the Guadalupe Radio Network Family.

Father Robert J. Spitzer, S.J. is a well know speaker, philosopher, educator, author and retired President of Gonzaga University in Spokane, Washington. He's the founder and president of the Magis Center of Reason and Faith, a non-profit organization dedicated to developing educational materials on the complementarity of science, philosophy, and faith.

MASS COLLECTIONS

Like all family and business expenses, the ministry's expenses have increased year after year. If you have been giving the same amount for a few years, would you please consider increasing your gifts by 10%? The ministry increasingly serves students in individual ways, and those programs and staff have expanded our budget. Additionally, ministry expenses including utilities, health care for employees, and priest retirement funding also have increased year after year in our budget. Please consider raising your routine giving by 10% to help us better meet these needs. Contact Beverly Mendoza if you need help making this commitment electronically or if you need additional information. Many thanks for your consideration and generosity!
