GUATEMALA MISSION UPDATE

Team Legacy, supported primarily by SMU Catholic community members, made its seventh annual trip to Guatemala to install stoves and water filters. Our community has been so supportive. *We need to raise funds for 100 stove and water filter combinations this spring and summer*, and we are about half way there! \$250 buys a combo, but any donation towards our goal is appreciated. Contact Paul Dickel at paul@pd-nl.com or donate directly to i-ep.org! Thank you for all of your generosity!

MASS COLLECTIONS

Like all family and business expenses, the ministry's expenses have increased year after year. If you have been giving the same amount for a few years, would you please consider increasing your gifts by 10%? The ministry increasingly serves students in individual ways, and those programs and staff have expanded our budget. Additionally, ministry expenses including utilities, health care for employees, and priest retirement funding also have increased year after year in our budget. Please consider raising your routine giving by 10% to help us better meet these needs. Contact Beverly Mendoza if you need help making this commitment electronically or if you need additional information. Many thanks for your consideration and generosity!
