### Did you know?

47 out of 50 European nations limit elective abortion prior to 15 weeks. 5 countries limit elective abortion to 14 weeks, including Germany and Belgium. A majority of European countries (27) limit elective abortion to 12 weeks, including France, Norway and Denmark. 8 countries, including Great Britain and Finland, do not allow elective abortion, though some permit abortion for specific medical or socioeconomic reasons. Zero out of 50 U. S. states have currently enforceable limits on abortion at 15 weeks. No European nation allows elective abortion through all 9 months of pregnancy, as is effectively permitted in several U. S. states, including California, Massachusetts, Maryland and New York.

This fall, the U. S. Supreme Court will hear oral arguments in *Dobbs v. Jackson Women's Health Organization*, concerning the constitutionality of limits on abortion prior to viability. The case was prompted by a common sense Mississippi law that protects the life of the unborn starting at 15 weeks gestation.

Please pray for the lives of the unborn.

### An "Ancient Prayer to Saint Joseph"

O St. Joseph, whose protection is so great, so strong,  
so prompt before the throne of God,

I place in thee all my interests and desires.

O St. Joseph, assist me by thy powerful intercession  
and obtain for me all spiritual blessings through thy  
foster Son, Jesus Christ Our Lord, so that, having  
engaged here below thy heavenly power,

I may offer thee my thanksgiving and homage.

O St. Joseph, I never weary contemplating thee and  
Jesus asleep in thine arms.

I dare not approach while He reposes near thy heart.

Press Him in my name and kiss His fine head for  
me, and ask Him to return the kiss when I draw my  
dying breath.

St. Joseph, patron of departing souls, pray for me.

*This prayer was found in the 50th year of our Lord  
and Savior Jesus Christ. In 1505, it was sent from  
the pope to Emperor Charles when he was going  
into battle.*

*Whoever shall read this prayer or hear it or keep it  
about themselves, shall never die a sudden death or  
be drowned, nor shall poison take effect on them;  
neither shall they fall into the hands of the enemy  
or be burned in any fire or be overpowered in battle.*

*Say for nine mornings for anything you desire.*

*It has never been known to fail.*

### *Do Something Beautiful for God* *(Teachings of St. Mother Teresa of Calcutta)*

*Love can be misused for selfish motives.  
If I love you but at the same time I want  
to take from you as much as I can, even  
the things that are not for me to take.  
Then there is no true love anymore.*

### *Saint Michael, the Archangel,*

*Please guide and protect our Police Officers,  
Correction Officers, Firefighters, Emergency  
Personnel and First Responders*

### *Prayer for our Troops*

*Almighty God and Father, hold our servicemen and women in  
your loving hands.*

*Protect them as they protect us.*

*Bless them and their families for the selfless acts they perform for  
us in our time and need.*

*We ask this in the name of Jesus, Our Lord and Savior.  
Amen.*

ARCHDIOCESE OF NEW YORK

MEMORANDUM

Office of the Vicar General  
Office of the Chancellor

To: Pastors, Administrators, Parochial Vicars

From: JPL  
John P. Cahill 

Date: July 30, 2021

Subject: Religious Exemption from COVID-19 Mandates

---

We occasionally hear from Catholics who have a sincere moral objection to the COVID-19 vaccines due to their connection to abortion. This concern is particularly acute among people who are strongly pro-life and very loyal to the teaching of the faith. It is a serious issue for some people who often seek guidance and support from the Church. His Eminence has requested that clarity be provided to assist our priests in response to requests of this nature which they are receiving.

Pope Francis has made it very clear that it is morally acceptable to take any of the vaccines and said we have the moral responsibility to get vaccinated. Cardinal Dolan has said the same.

There is no basis for a priest to issue a religious exemption to the vaccine. By doing so he is acting in contradiction to the directives of the Pope and is participating in an act that could have serious consequences to others. Imagine a student receiving a religious exemption, contracting the virus and spreading it throughout the campus. Clearly this would be an embarrassment to the archdiocese. Some even argue that it might impose personal liability on the priest.

Any individual is free to exercise discretion on getting the vaccine based upon his or her own beliefs without seeking the inaccurate portrayal of Church instructions. Our priests should not be active participants to such actions.

Refer to the [Congregation for the Doctrine of the Faith](#) *Note on the Mortality of Using COVID-19 Vaccines*.
