

# Cleveland and EdChoice Scholarship Program Income Verification Portal Quick Guide

Parents/Guardians may use the Scholarship Program’s Income Verification system to enter and submit their income information electronically to the program to verify their income status. Users must enter their household member information, income information, and upload supporting income documents directly into the online system. This system may be used in place of the paper form used for this process. Having an online system helps eliminate mailing paper documents, offering a faster and more secure process.

**Note:** When accessing the system, please use a desktop or laptop computer as the system is not easily accessible on a mobile device.
