Technology Fee Remittance Slip

For the 2025-2026 school year, the Manna goal for each school family is \$5,000 (goal is the same regardless of how many children you have). Families that do not meet this goal, or those that choose not to participate in the Manna program, will be assessed a technology fee per student (in K-8; does not include pre-school students).

The technology fee will be based on total purchases made from **May 16, 2025 - May 15, 2026**.

Technology fee due dates

--**September 30, 2025:** Technology fee due for families that opt-out of the Manna program (i.e., you have not made a Manna purchase or notified the Manna office that you intend to make purchases later in the year)

--**May 1, 2026:** Technology fee due for all families whose youngest/only child is in the 8th grade

--**May 15, 2026:** Technology fee due for all other families that have not met their Manna goal.
