## MESSAGE FROM SUPERIOR GENERAL

**HAPPY EASTER !**

Dear Confreres,

The joy of the gospel is important to our mission. We must bring the Good News of the Resurrection to those around us and to show, by our actions, the love that knowing God brings to people. We seek this joy in many different ways but most visibly we find it in relationship with God.

Especially at Lent, we take time to nurture this relationship; by fasting, prayer and almsgiving we take time to listen to His Word and then take action responding to what we hear. "For God so loved the world, that He sent His Only Son, so that all who believe in Him may not perish, but may have eternal life". (John 3:16)

As Missionaries of Faith, we are called to share the Good News by our words and our actions and share love and joy in the presence of the Risen Lord, especially at Easter.

We must continue to pray for peace throughout the whole world and do what we can to bring love and compassion to those around us.

Assuring you of my prayers for you and your families and your communities during Holy Week and as you celebrate the resurrection of Our Lord and Saviour on Easter Sunday.

Rome, 08.04.2022

### MF ministry at Auckland Hospital (ADHB)

**Operating during Lockdown** at Auckland hospital, maintaining social distancing, wearing masks, visiting Catholic patients on list. Visiting most wards, (with charge nurse's consent). ADHB is using their own traffic light system, red/orange/green, i.e. high risk, med risk, low risk. We don't visit high risk rooms (which are always under control by the hospital security. We don't visit the infectious disease wards, or intensive care areas unless requested. If we do then we would use full PPE.

No Holy Communion is allowed during this time of pandemic. We offer prayers, Spiritual Communion and spiritual support. I'm ministering on most days from Sunday to Thursday, quite busy with Anointing and Reconciliation. Patients are very pleased with our presence as many areas are still only allowing patients to have one visitor each day. The staff are very encouraging of our visits and they are very happy of our presence in the hospital.

The beauty of our Ministry at the Hospital, is not only for the patients and their families but also our relationship with the Ecumenical Team. Sharing our ministries and also our Services. During Lockdown, we stop Celebrating Mass on Sundays and Wednesday. Looking forward to our Eucharistic Celebration and Ecumenical Celebration when New Zealand moves to the Orange Light System next month. (April)

The hard work of our On Call Priests, Fr. Iosefo Timu, Fr. Joseph Thirumala and

Fr. Consedine Toleafoa during nights and weekends with their presence when they are called. Their collaboration is very much appreciated by the Staff and family members.

Thanks to you all for your prayers and support and especially allowing our members of MF Congregation to do their Ministry in the Hospital.

## DELEGATION OF NORTH AMERICA

### Priestly Ordination on 12 January 2022

There is no denying that the excitement to Deacon Hai's ordination was leveled up. There has been a long wait to this day as it made the heart grow fonder. As soon as the date of ordination has been pencilled on our calendar, every one of us received the joyful news and Deacon Hai's face of sheer contentment is so visible and his smile was undeniable.

Deacon Hai was ordained as a deacon in his motherland, Vietnam, five years ago. Close to his second year as a deacon, his parents migrated to Orlando, Florida in the United States and he decided to accompany them and take care of his ill father. Shortly after his adjustment to the American culture, a relative contacted Fr. Benjie in Waco, TX and related Hai's desire to be back to our community. Fr. Benjie informed the DNA superior, Fr. Celso, who facilitated his reentry to the community.

Hai offered his diaconal services to both Bremond and Franklin parishes. Moreover, he was introduced to all of the MF Delegation of Northern America confreres whom he comes to know gradually and personally from our gatherings.

Eight of us flew over to Orlando, FL for the ordination. Frs. Celso Yu, Richard Dee Du, Benjie, Judah Pigon, Robert Chinappan, Robert Ni

Ni, Joel Jores and Joy Kumarthuseril concelebrated with the ordaining auxiliary Bishop Thanh of the Orange Diocese and Bishop Noonan of the Orlando Diocese. Other diocesan and religious priests also concelebrated. Bishop Thahn key messages to Deacon

Hai and to everyone present were the gift of priesthood, the companionship in ministry, the pastoral charity and self-sacrifice - to serve the people of God with the spirit of joy in priestly life.

This meaningful ordination was the first of many. The first ordination for the DNA delegation; the first ordination for Bishop Thahn of a Vietnamese; the first ordination at St. Philip Phan Van Parish.

The parish, mostly Vietnamese contingent, did a phenomenal job with the leadership of Fr. Chau Nguyen, the pastor. The liturgy was solemn indulged with the beautiful music. The reception following the ordination was under the tent with acquaintances' brief remarks and gift giving to now Fr. Hai.

The following day was Fr. Hai's Mass of Thanksgiving. This one had more of a family celebration with relatives and friends. Fr. Hai's parents, Quynh and Huong and immediate family members were bursting with joy. There were moments of intense raw emotion and tears flowing down the cheeks as I, too, was moved by it. To express this joy and gratitude, the festivity continued in the rented hall well garnished with white accent lashes hanging down the ceiling, and delicious Asian dishes. Speeches, Singing, Instrumentalist and dancing in the end adorned the banquet.

Fr. Hai spent some time with his family afterwards and he came back to Texas with his parents to celebrate his Thanksgiving masses in Bremond and Franklin. Both parishes had a reception and threw a bountiful refreshment for all.

The Missionaries of Faith Fathers thanked Fr. Hai's family, relatives and friends for their support and contribution to make this first ever Presbyteral ordination an indelible celebration.
