

Perpetual Care

[*Owner: Cemeteries Administrative Operations Manager*]

21-A Perpetual care is an agreement between Management and plot owner whereby Management will guarantee for a consideration certain care and maintenance of plot, memorial, etc., forever.

21-B The one-time cost of a perpetual care contract will depend on the size and type of construction of memorials plus requirements needed to assure perpetual maintenance.

21-C Only memorials in first-class condition and approved by Management shall be eligible for a perpetual care contract.

21-D Management will enter into a perpetual care agreement only after owner has made such repairs as are necessary in its judgment to return the burial place to first-class condition and to make it eligible for a perpetual care contract.

21-E Perpetual care will be performed as outlined in each agreement entered between the plot owner and the Management and such agreement will be irrevocable.
