

Mission, Spirituality, and Community

[*Owner: Office of Human Resources*]

The Diocese participates in the life and mission of the universal Roman Catholic Church. The Diocesan offices provide services to enable the local Church to live ecclesial life and fulfill the Church's mission more effectively and fruitfully.

The Diocese invites its personnel to be people of prayer. We share a common mission. We need to come together periodically to clarify and embrace our mission more fully. Days of reflection and prayer and daily Masses can help us to be the Church ever more perfectly. Social gatherings and faith sharing opportunities nourish us and deepen a sense of being a community. Diocesan personnel are urged to be active participants in these in accordance with their faith and ability. All employees are encouraged to attend; it helps to build a strong morale and family spirit among the employees.

Well-designed employee policies aid the Diocese's basic mission. This Manual was prepared with the goal of helping to achieve that end, to facilitate satisfying working conditions and to inspire collaborative relationships.
