Our students did an amazing job bringing in items to donate for the parish's St. Vincent DePaul Thanksgiving collection. To transfer all the food to the pantry in the church lower level, we made a human chain throughout the school and across the parking lot. The students had a great time passing the cans & boxes of food along and working together as a school community to assist those in need!

Dynamic Catholic, Alive! Mary as a Model

We may know a lot about the Blessed Virgin Mary—celebrating her Immaculate Conception, her birth, the Annunciation, her glorious Assumption, etc. How can we sum it up? This way: Mary is the only human creature who shows us that God's original plan for us—that we could always choose in accord with His Divine Will—was possible. Think about it—without Mary, how many of us would be wondering if any of us could even get close? Let her “yes” inspire us. (CCC 484-507) archstl.org/dynamic

The Miracle and the Message

The Heart of the Evangelization of the Americas

The most important event in the evangelization of the New World occurred in December of 1531. Over the course of four days, the Virgin Mary, as Our Lady of Guadalupe, appeared to an indigenous convert named Juan Diego. As a result of this encounter, the image miraculously imprinted on Juan Diego's tilma (cloak). This gripping film explores both the inexplicable mysteries behind the image and the continued relevance of this Marian apparition to the modern world.
