Updating our COVID-19 Guidelines

Recently, new guidelines were published by St. Louis County and the Archdiocese. This is how they impact Assumption:

Effective immediately

Changes to Mass: Face masks are still required, but you may remove your face mask once you have been seated in a pew. Please replace your mask when you exit.

The Outdoor Classroom and the School Courtyard are available for evening meetings (please bring your own chairs.) Please contact the parish office to make reservations (see below).

Monday, June 22

Changes to Mass: Communion may be distributed on the tongue again.

The parish calendar opens for reservations. Requests should be in writing, email preferred. Please send to reservations@assumptionstl.org or call 314-487-7079.

1. Rooms can be scheduled between July 1, 2020 and July 1, 2021.
2. The leader's contact information must be provided.

To access parish calendars online go to assumptionstl.org. Individual calendars for parish liturgies and meetings, senior ministry, youth ministry, grade school, ELC, PSR and the Athletic Association are available on the appropriate webpages.

Monday, June 29

Online Mass sign-ups will be discontinued because St. Louis County will permit up to 50% of building capacity. That is sufficient for our normal Sunday Masses during the summer. This means our room capacity is:

- Church 300 people
- Church Lower Level St. Marie Hall 65 people
- CLL Fatima and Lourdes Rooms 12 people
- Rectory Basement 12 people
- School Cafeteria 50 people

Wednesday, July 1

- *Indoor Assumption parish meetings can resume.* Keys can be picked up between 8:30 a.m. and 4:30 p.m. at the Rectory.

- *Note: Potluck meals may not be served* yet, but catered food can be served, as long as it is individually wrapped or served by a person who has taken proper sanitary precautions.

- *Funeral Visitations can resume.* Assumption permits small visitations for one hour prior to a funeral, schedule permitting.

- *Funeral luncheons can resume.* However, at this time, the family is responsible for arranging a caterer.

We will update everyone when new guidelines impact Assumption. The number of new coronavirus cases reported in our 63128 zip code continues to be very minimal, so I feel confident that as long as parishioners maintain common sense precautions and follow the social distancing guidelines encouraged by St. Louis County, everyone will be safe. Let's hope the epidemic is almost over and we can get back to normal!

Fr. Keller

Worship and Service

If we could sum up the Christian life, we might say it is a life of Worship and Service. Here at Assumption, we have a lot of great parishioners who are dedicated to Mass and personal prayer, but they also undertake some huge service projects to improve the parish or help others. This week, our Assumption teens joined this great tradition.

Usually, Assumption Youth Ministry participates in a week-long Archdiocesan summer program called Project Life. Project Life brings teens from the Archdiocese together to pray, serve and share with each other as they work in underprivileged areas. Due to the Coronavirus outbreak, Project Life had to chance their plans. This year, teens worked in their own parishes. So, our teens immersed themselves in worship and service here at Assumption.

The teens started each day with 8 a.m. Mass; throughout the week they had opportunities for Eucharistic Adoration, as well as confession. They also tackled some huge service projects.

- They cleaned up the exterior of the Knobbe House (the white house on the corner of Basler and Mattis Roads). We use the Knobbe House for storage (if you have a good idea how we could use this building contact me). They painted the foundation and landscaped around the house.
- Another group tore out the old damaged woodwork in two classrooms so we can get in and remodel them later this summer.
- A third group built raised garden beds that will serve as a perimeter to the courtyard and the gym entrance, enhancing both areas.
- And last but not least, another group scraped rust, primed and painted the cemetery fence! Eventually as the other groups finished their projects, they joined the “graveyard shift” to help finish 197 sections of fence.

If we paid outside contractors to do this work it might have cost the parish \$25,000-\$35,000, but the teens completed them in a week! And because they had excellent adult leaders, they did just as good of work. Thanks Assumption Youth Ministry!

Next time you are on campus, take a few minutes to look around and appreciate the amazing work all of our volunteers have done to make Assumption the best parish facility in South County!

God bless, Fr. Keller

Living Sustainably

"Concern for others and the natural environment attunes us to the moral imperative of assessing the impact of our every action and personal decision on the world around us. If we can overcome individualism, we will truly be able to develop a different lifestyle and bring about significant changes..." -- Pope Francis, Laudato Si

Just recently the St. Vincent de Paul Thrift Stores opened once again to shoppers at all area locations. Also, last month it was announced we will have an **Assumption Rummage Sale**.

With all this in mind and reflecting on the words of Pope Francis, what better way to focus on the sustainability lessons. Consider asking yourself these questions to be a good steward of God's earth when it comes to consumption and collection of material items.

7 R's of Living Sustainably

1. **Rethink** - What is my consumption? What is my relationship with things?
2. **Refuse** - Do you really need it?
3. **Reduce** - Can you use something less often?
4. **Re-use** - Is there a new use for an old object?
5. **Repair** - Can it be fixed or upgraded other than throwing it away?
6. **Re-gift** - Is it something that will brighten another person's life?
7. **Recycle** - Can this item be recycled?

Of course this isn't a one-time situation. When we put these questions into daily practice, it becomes second nature and we automatically become better stewards of the earth.

Other resources for more information are to check with your local waste management company to learn the do's and don'ts of your trash collection services or go to www.recycle911.org to see a list of items that are recyclable. Shop the local St. Vincent de Paul Thrift Store and support this mission before you go out and purchase something new. Set aside your used items that are in good working order for the Assumption Rummage Sale coming up on August 8.

Annual Catholic Appeal Continues this Weekend!

This weekend we celebrate and honor our fathers, living and deceased. They are a reflection of the strength and steadfast love of God our Father. We share our gratitude for them as we look forward to returning to a more regular experience of our families and friends and a more routine schedule of activities and sacramental celebrations at our parish.

You are invited once again to participate in the *Annual Catholic Appeal* by making a gift. If your circumstance permit and your family is blessed with good health and employment, please consider increasing your gift to make up for those who are unable to make a gift at this time. More information can be found at aca.archstl.org. Your gift will help many who have been impacted by the Covid-19 outbreak in our archdiocese. As one Body, we make sacrifices for others, not because they are Catholic, but because *We Are Catholic!*
