The Holy Eucharist DID YOU KNOW?

"We have Our Lord in the Blessed Sacrament, but our poor eyes fail to see him. Let us once become interior souls and we shall immediately see Him." (St. Peter Julian Eymard.) This statement is a challenge! Are we daring enough to "enter our interior room"? To do this is to enter into silence. With all of the noise of the world whirling about us constantly and pressing in upon us, can we take the time for silent prayer? Can we be alone with God?

Reflection: Please consider this to be an invitation to enter into the interior sanctuary of Jesus Eucharistic. This is a request to spend quiet time with Jesus in the Blessed Sacrament. This is an inspiration from the Holy Spirit for us to rest in the living Heart of Christ in prayer and in peace. When we receive Holy Communion Jesus is intimately present to us. What precious moments are given to us. Do not waste them.

Please join us each week as we probe the depths of this Sacrament of Sacraments.

Dear Parishioners,

This year there will be 45 candidates receiving the sacrament of First Holy Eucharist. They will be receiving their First Reconciliation on March 27, 2021, and are preparing for reception of the Blessed Sacrament in the Spring. We will be putting out the "Little Lambs" in the near future so that you can pray for all candidates as they prepare for their sacrament.

Due to ongoing overwhelming positive response, we would like to continue to gift each child with a First Communion Bible. We are asking that you sponsor any child or children, with this gift anonymously and it will be presented to them on their First Communion Day. In return, we will be asking the children to pray for the person who gave it to them *every time they read their Bible*.

The Bibles are reasonably priced and if you are interested in being part of this beautiful event, please pick up a form in the Gathering Space and return it with your payment of \$15.00 per Bible (made out to Church of St. Ann). Please mail to the church in an envelope clearly marked "for First Communion Bible" or drop it off at the Parish Offices.

You can also place order & pay online at: www.osvhub.com/stannavon/forms/first-holy-communion-bible-gift.

Thank you so much for your consideration and for your prayerful support of these beautiful children!

Yours in Christ, Father McHugh

EVERYDAY STEWARDSHIP

Recognize God in Your Ordinary Moments

How to Fail Your Way to Heaven

You know what are some of my favorite moments in Scripture? The little “Easter eggs” of Jesus’ humanity, things like Jesus falling asleep, Jesus drawing in the sand, Jesus playing with kids. And how about Jesus rising from the dead, appearing to his disciples and saying, “So, have you got anything to eat?”

It’s right for us to always keep in mind that Jesus is God. But we also have to remember that he was man. He got hungry. He cried when he felt sad and laughed when he felt happy. He got tired. He got bored.

Because he was God, none of those feelings ever led him into sin, like they do us. He never spent a car ride trying to pass the hours by seeing how annoyed he could make his older sister. He never smacked Peter over the head for saying something really stupid. But he did unleash some Biblically righteous anger on those traders in the temple, didn’t he? And he wasn’t shy about calling Peter “a Satan” when his friend tempted him to take the easy way out.

It’s the tightrope walk we all try to balance every day, honoring our human emotions while still answering God’s call to be better. Being perfect isn’t the domain of the Christian — that’s the domain of Christ only. Trying and failing, then trying again (and failing again) and again and again? That’s the domain of the Christian.

-Tracy Earl Welliver, MT

INSPIRATION FOR THE WEEK

Live the Liturgy

When the greeting “Peace be with you” is sincerely offered to a person, it can resonate very deep within, bringing comfort and reassurance. When someone possesses the power to bring peace, it brings us to a place of safety and fills us with joy. The resurrected Christ has this power. God can open our minds so that we can more fully understand the meaning of Sacred Scripture and God’s compassionate, loving, tender, and untiring embrace constantly present and offered to people throughout history. Without the anchor of truth that only God can provide, we can easily become startled and terrified at the sight of what life brings us. Being open to God’s offer of peace, we can turn away from old habits and short-sighted vision and experience the gladness and joy of God’s gift. Only then can what is wounded and broken be mended and reconciliation achieved. We are the resurrection witnesses called to proclaim the Good News.

GOSPEL MEDITATION

Encourage Deeper Understanding of Scripture

We often act out of ignorance. Armed with the best of intentions, we think we are seeing clearly and correctly, but we are not. We don’t always understand the full meaning of things and only perceive part of the truth. Hence, our judgments and actions can be impaired by myopic, incomplete or erroneous perceptions. The meaning of life, understanding of human experience, and negotiating life’s challenges can all become skewed without proper understanding and vision. The resurrection of Christ is the corrective to our incomplete and limited view of life. Looking at things with the eyes of faith brings a depth of clarity and understanding to how we see God, ourselves, others, and the world.

Even the disciples struggled with their limited understanding and ignorant perceptions. It was only when Jesus opened their minds to understand the Scriptures that their eyes were opened. It was their “aha” moment when everything clicked. We all want the substance of our lives to come together, make sense, and have meaning. This is easier to achieve when things are going positively and life is good. It is when suffering, disappointment, death, hardship, and injustice enter the picture that things can become unsettled and disoriented. Our faith in the goodness and love of God is tested. We tend to shift our focus on these difficult and challenging moments and do not see them within the greater picture of how God intends life to unfold. We can gain, from the passion and resurrection of Christ, the clear vision we need in order to move away from ignorance to enlightenment.

We need our “aha” moment when everything comes together and clicks. It can come in a fleeting instant when we feel totally connected with God, where we find ourselves, others and all of creation. It is a moment when all is right and good, regardless of how difficult our journey. Our “aha” moment assures us that God is here, right with us, in us and around us bringing us a gift and blessing we can receive nowhere else: peace. In those brief sacramental encounters when we are lifted up out of ourselves and centered, we can hear God say, “peace be with you,” and we feel secure. It’s all okay. The resurrected Christ has the power to bring this gift to us. Some people, as they are facing their deaths, remark about this peace. When looking into the window of eternity, they experience a depth of joy and are amazed at God’s goodness and closeness. We are called to be witnesses to this Good News.

Help Stop State Sponsored Suicide

The Connecticut General Assembly is considering legalizing a form of suicide in our state commonly referred to as "aid-in-dying" or "physician-assisted suicide". The legislation is House Bill 6425 "An Act Concerning Aid in Dying for Terminally Ill Patients".

Modern hospice care and the proper use of pain medications render suicide unnecessary, and we need to be mindful of the threat that a suicide mentality poses to vulnerable people and to people with disabilities

Many people believe that a physician is deeply involved in this process. This not true. The physician orders the mixture of medications, the patient must then orally consume the deadly cocktail of drugs without assistance. Many times without even a physician or nurse present.

We should never allow legislators to establish suicide as a solution to medical issues.

Catholic teaching condemns physician-assisted suicide because it, like murder, involves taking an innocent human life:

Suicide is always as morally objectionable as murder. The Church's tradition has always rejected it as a gravely evil choice: To concur with the intention of another person to commit suicide and to help in carrying it out through so-called "assisted suicide" means to cooperate in, and at times to be the actual perpetrator of, an injustice which can never be excused, even if it is requested. Saint Augustine writes that "it is never licit to kill another: even if he should wish it." True "compassion" leads to sharing another's pain; it does not kill the person whose suffering we cannot bear. (John Paul II, The Gospel of Life, no. 66).

TAKE ACTION:

Go to the website below, **read more on the issue** and then sign the petition to stop the legalization of assisted suicide in Connecticut
