The Holy Eucharist DID YOU KNOW?

The Second Vatican Council called the Blessed Sacrament “the Sacrament of transforming intimacy”. When we receive Jesus in Holy Communion, He pours forth graces upon us like a bubbling, inexhaustible fountain. Bishop Robert Barron describes this as “an intoxication of grace”. The purpose of this is to bring us into a closer union with Christ. As we become more like Jesus, the Heavenly Father recognizes in us the image of His Divine Son. The Holy Spirit, who sanctifies us, rejoices. To be filled with this grace is to share in the Divine Life of the Blessed Trinity.

Reflection: This “intoxication of grace” is the joy of the Holy Spirit. It is a personal foretaste of the heavenly banquet to which we are called. Each worthy reception of Holy Communion prepares us for a more profound experience of the glorious Beatific Vision of the Blessed Trinity, which we shall share with the angels and saints for all eternity.

Shroud of Turn Exhibit

Fr. Bennett Hall

Saturday, June 5th: before & after 4pm Mass, until 6pm

Sunday, June 6th: after the 7:30am Mass until 2pm

The Shroud of Turin has long been venerated by the faithful and is believed by many to be the burial cloth of Jesus of Nazareth. The Shroud is one of the most scientifically studied religious icons in history. As science has progressed, so has the speculation on how the image of the crucified man of the Shroud was made.

After decades of exhaustive and medical, historical and scientific research, the Center for the Study of the Passion of the Christ and the Holy Shroud has developed a moving and informative mobile exhibit on the Shroud of Turin.

The centerpiece is a full length canvas replica of the Shroud made by the *Shroud of Turin Education and Research Association, Inc.*

In addition, the mobile exhibit contains a large crucified corpus showing the wounds of Christ corresponding to the passion narrative in the Gospel accounts and the wounds shown on the Shroud. The exhibit contains over 31 popup display banners detailing the history and science of the Shroud.
