Do I Still Need to Wear a Mask at Church?

COVID-19 Vaccination Status:

Vaccinated: No (mask is optional)

Unvaccinated: Yes, wear a mask

As per a statement from the Archdiocese of Hartford:

"Effective **Wednesday, June 9, 2021**, for those who are vaccinated, wearing masks will now be optional while at Mass, at other liturgies, and at any indoor or outdoor events held at our churches. Those who remain unvaccinated should continue to wear masks, with particular attention being given to the safety of young, unvaccinated children."

The Holy Eucharist DID YOU KNOW?

Why do you come to Mass? Do you come because it is a Church requirement? Do you come for the homily? Do you come for the music? Perhaps you come for the fellowship? The Church teaches that the preeminent reason to come to Mass is the HOLY EUCHARIST.

We celebrate the Sacred Heart of Jesus this month. When Christ appeared to St. Margaret Mary and revealed to her His Sacred Heart, He said, "Behold the heart which has so loved mankind and is so little loved in return."

In the Holy Eucharist, we possess this living Sacred Heart of Jesus. He gives Himself totally to us heart to heart. In order to receive this Heart worthily, we must have a desire for union with Him. All true love ardently desires union.

Reflection: Do you desire union with Christ when you receive Holy Communion? Archbishop Fulton J. Sheen wrote, "The highest unity in the Divine order is the unity of the soul and Christ in Communion." What an ineffable treasure we possess as Catholics.

Hyde Saves Lives!

Please respond to EWTN Pro Life Weekly's Call to Action to ask Congress/your Representative to protect the Hyde Amendment. You can do this by going to:

<https://sba-list.quorum.us/campaign/33455/>

Once there you can either use their link to Facebook OR just fill in your name, email and address which will do this for you!

You can also follow the instructions below to sign a petition to Congress!

WHAT

Congress is trying to force Americans to pay for abortion.

HOW

The Hyde Amendment and similar laws have protected taxpayers from funding elective abortion for 45 years. Now, powerful members of Congress want to take away these laws that both Democrats and Republicans have supported for nearly half a century.

WHAT HAPPENS WITHOUT THESE PROTECTIONS?

Billions of taxpayer dollars could be used to pay for abortion.

EVERYDAY STEWARDSHIP

Recognize God in Your Ordinary Moments

St. Anthony Can Find Anything — Even You

"Tony, Tony, come around! Something is lost and it must be found."

Did you learn this one when you were a kid? In my experience there are even a lot of lapsed Catholics — or people who were never Catholic at all — who know that when you lose something, St. Anthony becomes your best friend. Missing keys? Pray to St. Anthony. Can't find your favorite sweater? St. Anthony. Forget where you parked your car in the mall lot? St. Anth— okay, you get the idea. Whatever it is, large or small, important or trivial, Tony has a reputation for finding the lost things.

It's a devotion that can seem a little like superstition — witchcraft, even? — if you don't really understand it. Mumble an incantation to a dead guy and you're guaranteed to find your sunglasses. But as with most traditions that are old, beloved and effective, looking a little closer reveals the truth of the matter.

When we lose something really important, what do we do? We make the whole household stop what they're doing to join the search. Having St. Anthony as a friend means you ask him to stop what he's doing to help, too. And how he helps is by taking the matter exactly where all matters need to go — straight to the feet of Christ.

Here's the real genius of St. Anthony: he takes the most mundane, commonplace occurrence — misplacing socks — into an encounter with the divine and truly all things great and small are gifts from God. He grabs our hand and points to the cross. "That's what you're looking for," he tells us.

In the end, Tony doesn't really find the lost things. He finds the lost people.

INSPIRATION FOR THE WEEK

Live the Liturgy

Jesus compares the Kingdom of God to a mustard seed, the tiniest of seeds. When planted, the tiny mustard seed grows into a tremendous tree with large branches. So too in each of our lives small things can have profound effects. God can use one of our more insignificant gestures to radically change another person's life. It may be the kindness of a smile, our willingness to accommodate someone, listening to someone's story, helping someone who is hurting, standing up for someone who is right or complimenting someone on something they did. We all have God given gifts and talents. What are some of yours? Our task is to use our talents creatively, consistently, lovingly, and generously. Because we are always guided by the Holy Spirit, things that may be insignificant or unnoticed to us can profoundly change the life of someone else. While we may think we are small and insignificant, God can make us large and magnificent. All we have to do is open ourselves to being used. We trust that God will take care of the rest. ©LPi

Psalm:

Lord, it is good to give thanks to you. (Ps 92)

GOSPEL MEDITATION

Encourage Deeper Understanding of Scripture

A favorite motto of St. Teresa of Calcutta was, "do small things with great love." This is how it works in the kingdom of God. God can do tremendous things with the smallest gesture, especially when it is done in love. We can clearly see that our world is suffering greatly. People are struggling to find peace, navigate through conflicts, earn a sustainable living, find security and enough food to eat, and work through political tensions and conflicts. In the light of the magnitude of the difficulties that exist around us and even within us, we can find ourselves floundering to discover practical, effective solutions. How can something so large be helped by someone as small and seemingly insignificant as me? While whole systems and structures may be out of the league of our personal influence, are we really that helpless in the midst of all of the turmoil, sadness, and suffering?

If we believe that God is with us and that God is still working to bring about the glory of God's kingdom, then the answer is no. We are never helpless or without hope. Armed with a strong life of prayer, we can always flee to God and ask for inspiration, wisdom, and especially love. We are all blessed with unique gifts and talents and it often seems that considering all that the world lacks, love and charity remain at the top of the list. Life can easily become a battleground of hostility. Because life is challenging and difficult, anger is not far away. We see it on people's faces and hear it in their voices. There is a measure of frustration that permeates all avenues of life. It is even felt in the air.

As people of faith, we know that what we see here is not the end but only a part of something far greater to come. We know that God's kingdom is where we are ultimately meant to be, and the Gospel is the way to get there. If love and charity can prevail in us, then God will be able to do what God does best. God will use us to scatter the seeds of his kingdom. Through our small gestures, those seeds can receive the nurturing attention that is necessary for them to bear great fruit. We cannot fall victim to the strife that is around us. We have to keep ourselves refreshed and focused so that even in small ways, we can become part of the solution, not the problem. Love and charity, which come from God, can help to heal the ills of the world. May we bring these simple gifts to the everyday simple tasks of our lives! Watch how big the plant grows!
