PRO-LIFE MINISTRY

Hyde Saves Lives!

Please respond to EWTN Pro Life Weekly's Call to Action to ask Congress/your Representative to protect the Hyde Amendment. You can do this by going to:

<https://sba-list.quorum.us/campaign/33455/>

Once there you can either use their link to Facebook OR just fill in your name, email and address which will do this for you!

You can also follow the instructions below to sign a petition to Congress!

WHAT

Congress is trying to force Americans to pay for abortion.

HOW

The Hyde Amendment and similar laws have protected taxpayers from funding elective abortion for 45 years. Now, powerful members of Congress want to take away these laws that both Democrats and Republicans have supported for nearly half a century.

WHAT HAPPENS WITHOUT THESE PROTECTIONS?

Billions of taxpayer dollars could be used to pay for abortion.

TAKE ACTION

Sign the petition to Congress at NoTaxpayerAbortion.com!

The Holy Eucharist DID YOU KNOW?

Consider that when we receive Holy Communion we are receiving not only the Body of Christ in the Sacred Host, but also Christ's Most Precious Blood. The Eucharist is the whole Christ. It is His Body, His Blood, His Soul and His Divinity....and thus He gives His all to us.

July is dedicated to the Most Precious Blood of Jesus. St. John Vianney wrote, "Upon receiving Holy Communion, the adorable Blood of Jesus Christ really flows in our veins and His Flesh is really blended with ours." The graces which are available to us upon the reception of Holy Communion are limitless.

Reflection: Each drop of Christ's Precious Blood contains our salvation, our joy and our invitation to an abundance of grace. After each reception of Holy Communion may our hearts, minds and souls be open to receive this sacred treasure of Divine Love.

EVERYDAY STEWARDSHIP

Recognize God in Your Ordinary Moments

The Prophecy of You and Me

Prophet. There's a heaviness to this word. It's weighted down with meaning. We think of prophets and we think of Charlton Heston with wild hair and a booming voice, reaching out his hand to work wonders of nature by the grace of God. We think of prophets and we think of ancient Biblical history — someone far away, someone so removed from our everyday life. A prophet is someone who knows something we don't.

When I let you in on this secret, it might scare you at first: in a way, God is calling you to be a prophet. He is calling me. He is calling anyone who hears the truth of the Gospel. However, there is no need for the megaphone and the wild locusts. This prophet gig might not be what you're thinking.

What does a prophet do? He hears and testifies to the truth, even when it's uncomfortable, even when it's unpopular, even when it results in, as Paul says, "weaknesses, insults, hardships, persecutions and constraints." A prophet doesn't have to be smart or rich or ordained; heck, he doesn't even have to be particularly willing.

All a prophet has to do is listen to the truth. The truth we receive from Christ, through the Gospel and the sacraments, is a mighty gift. But it is a gift that we are not meant to simply keep for ourselves. In possessing it, we are compelled to also pass it on, to share it, to let the Spirit set us on our feet.

INSPIRATION FOR THE WEEK

Live the Liturgy

God never ceases to proclaim His Word. His life-giving presence continues to sustain all things and keep them in being regardless of whether there is the faith to receive or perceive Him. Our personal agendas, preconceived ideas, misconceptions, and expectations can often cause us to be so hard of heart and obstinate that we fail to see what God is trying to do. While God remains ever present, faith is necessary for God's power to bear fruit. As we celebrate our country's independence, let us not forget the difference between liberties and freedom. While the liberties we have are most welcome treasures, only freedom from what blinds, deceives, and weighs us down can bring happiness. God is all about healing, transformation, and hope. In order for God to do what God does best, we have to invite Him in and see Him for who he is. Otherwise, God's will for humanity will be something at which we simply take offense, a common reaction when something challenges or unsettles us.

GOSPEL MEDITATION

Encourage Deeper Understanding of Scripture

It's all so ordinary that we can easily miss it. The seagulls hunting and diving for mollusks at the beach offer a display of determination and precision as they gather their food for the day. It's simply what these creatures do. Yet, there's a magical artfulness and skill to their work that speaks volumes about the One who breathed life into their being. This is pretty much the way it is with God's presence. God comes in common ways through common things and ordinary people. Sadly, we are so engulfed in our little worlds of order and ideas to notice the beauty and wonder of it all. Many have numbed themselves to the Divine spark at the essence of all life because that's just the way it is. What's so special about it? A sunset is a sunset and a seagull is a seagull. That's precisely what they thought about Jesus too. After all, isn't he just the carpenter's son? What merit can his words possibly have?

If we're looking for God to come in an event that is so dramatic and intense that it knocks our socks off, then think again. When pondering God's relationship with His people and God's action in our lives, we have to go back to the stable and the recurring, creative, unending power of God's presence. It was a quiet, run of the mill kind of night. There was nothing spectacular or extraordinary. To the naked eye, a woman gave birth to a child and there wasn't anything extraordinary to see. We have a hard time understanding God's ordinary-ness. Jesus grew up in an ordinary town, had neighbors and did normal human things. Perhaps that's why we don't always like the Gospel. It doesn't dazzle us with extraordinary things but simply challenges us to take a different look at our ordinary stuff. That makes us uncomfortable. We prefer things as they are. Our lack of faith can even cause us to take offense at what Jesus says and does, dismissing it as folly.

God's life-giving presence continues to sustain that seagull in flight and keep all things in being regardless of whether we have the faith to see and understand this. Our personal agendas, preconceived ideas, misconceptions, and expectations can often cause us to be hardened and blinded to what God is doing or desiring to do. While God continues to do what he has done for all eternity, faith is needed for God's presence to bear fruit. The blinders we wear and the expectations we bring to life can often prevent us from seeing graced moments that radiate with God's graceful presence. They also prevent God's transforming, healing, and hope filled vision for our world from being realized. Without faith, God won't be able to do much for us either.
