**Pilgrim Statue of "Our Lady of Fatima Returns to St. Ann  
From 2pm on Sat., October 9th through 4pm on Sun., October 10th"**

We are privileged and thankful to once again have the pilgrim statue of "Our Lady of Fatima" at our church of St. Ann's beginning at 2 pm October 9 through 4pm, October 10, 2021. This is one of four statues commissioned by Lucia, one of the three children which the Blessed Virgin Mary appeared to in the apparitions at Fatima Portugal. This particular statue has traveled the world for the last 70 years, and last year was at the United Nations, as well as in Asia, Europe and South America, and many countries in between. The Pilgrim Statue will start in Father Bennett hall and be processed into the main church for the 4 pm mass on October 9th, and remain through all masses on October 10th.

The custodian, Judith Studer, will talk about the statue and her experiences as custodian, following each of masses, in addition, after each mass, we will have the recitation of the Holy Rosary. Please be sure to mark your calendars for this blessed event, and bring your friends and family.

## Usher Assistance Needed!

We are currently in need of some usher assistance, either as:

- alternatively, as a volunteer, on an as-needed basis during a Mass you are attending. If you are able to help pass the baskets at a Mass you are attending, please mention that to the usher at the door.

If you can help out in any way, please contact Joe Savage, our Usher Ministry Leader at 860-306-8788 or email at: [jpsavidge@aol.com](mailto:jpsavidge@aol.com).

*Thank you!*

## The Holy Eucharist DID YOU KNOW?

St. Jean Vianney, the Cure of Ars, the patron saint of parish priests, knew the power of prayer before the tabernacle. When he first arrived in Ars after the French Revolution, his parish was in ruins. Hardly anyone attended Mass. He began to rebuild the faith of his people by first spending long hours in adoration of Jesus in the Blessed Sacrament. Within a few years, his sanctity had spread throughout France and he spent 18 hours a day hearing confessions. So many came to Ars that the French railroad had to build tracks to bring the pilgrims to his Church. During his priesthood it is estimated that 250,000 people were converted because of his faithful witness and his love of Jesus in the Holy Eucharist.

**Reflection:** St. Jean Vianney understood the power of the Holy Eucharist. He understood the power of prayer. When we kneel in humble adoration of Our Lord after reception of the Holy Eucharist, do we also understand that our prayers are intimately heard by Jesus? St. Jean Vianney wrote, "I often think that when we come to adore Our Lord in the Blessed Sacrament, we should obtain everything we want, if we would ask for it with a very lively faith and a very pure heart."

## EXPOSITION OF SACRED RELICS

*Treasures of the Church*

The Church of St. Ann welcomes you to a teaching and exposition of Sacred Relics. Over 150 relics will be shown, some as old as 2,000 years.

Among the treasures will be relics of St. Ann, St. Joseph, St. John the Baptist, St. Mary Magdalene, St. Maria Goretti, St. Thérèse of Lisieux, St. Francis of Assisi, St. Anthony of Padua, St. Thomas Aquinas, and St. Faustina Kowalska.

There will also be a fragment of the Veil that belonged to Our Lady and some of the largest remaining pieces of the Wood of the True Cross in the world.

## EVERYDAY STEWARDSHIP

Recognize God in Your Ordinary Moments

### Choosing Deafness

If you're a parent, you know that hearing evaluations are usually done at a child's annual physical exam starting around age four. The little person gets hoisted up onto the exam table, fitted with a pair of special headphones, and then they need raise their hand when they hear a sound.

I bet all of us parents who have sat through one of these tests with a preschooler — especially a particularly strong-willed one — have experienced a moment where we ask ourselves: I wonder if there's something wrong with her hearing. Is that why she doesn't listen to me? 'Come here, put on your shoes, pick up your toys, finish your carrots, don't touch that' — she isn't being naughty, she just can't hear it!

And then that moment, for those of us whose kids passed the hearing test with flying colors, comes crashing down into a realization that, yep, they can hear just fine. They're just choosing deafness.

But how can we really get mad when we remember that we do the same thing to God day in and day out? I often wonder if God, sitting in His Heaven, tires of calling to us in the same way young parents tire of calling out unheeded directions to their small children. Help that person. Hear My voice. Open your heart. Give of yourself here. Talk to Me.

What is the call He wishes you to hear today? Can you hear it? Are you listening?

-Tracy Earl Welliver, MT

## INSPIRATION FOR THE WEEK

Live the Liturgy

Life can be challenging and frightening. Sometimes, it really hurts to be a human being. We face brokenness of all kinds: physical, emotional, and spiritual. For no apparent reason, life can quickly fall apart. What we knew to be familiar is gone and something we relied upon is taken away. We are left sitting with our incompleteness and swimming in the pools of our sadness. Be strong! Fear not! These admonitions flow from the mouths of prophets and are echoed by Jesus. It is difficult to trust that restoration, healing, and rejuvenation will one day come, and remain steadfast in our faith. But we are here because of a God who loves us, not as the result of a random occurrence. When we reach for that truth about who we are and who God is, life changes for us. We are healed from our old distorted way of seeing things. Our eyes, heart, and soul are opened to the beauty and magnificence of life. The pulse of our loving Creator is felt in all things and we can't wait for God to come and touch us again. God made us, God loves us, and God keeps us. He has done all things well.

## GOSPEL MEDITATION

Encourage Deeper Understanding of Scripture

From the time we are born into this world until we die, our human radar picks up signals about how to respond to life. What we picked up on when we were very young carries an even greater power. The messages we receive and process tell us what we are "supposed" to do with our feelings, how to understand and cope with disappointment, anxiety, failure, death, illness, and what to expect out of life. As life unfolds for us, these radar messages kick in and resonate in us at very deep levels. Sometimes what we have learned is helpful and sometimes it is not. The stories we have been told, especially when we are young, about how life is best lived and how to negotiate its pain carry a heavy weight.

Life can be challenging and frightening. Sometimes, it really hurts to be a human being. It also can be quite unpredictable and, at times, unfair. We face our vulnerability and brokenness of all kinds: physical, emotional, and spiritual. It doesn't take much for life to quickly fall apart. What we knew to be familiar and true is gone and something we relied upon, physically, emotionally, or spiritually, can be taken away. It is hard to confront our limitations and sit with our incompleteness. Often, life hurts us so much that we find ourselves sitting in a pool of sadness, not sure what we are supposed to do. It is particularly hard when the signals we have inherited tell us that we need to be successful in what we do, and we have to avoid life's unfairness. We can feel like a failure, wondering what precisely we did to deserve this fate, or ruminate about what we did not do correctly. But it's really not about us. We are part of a bigger picture and a much more fascinating story!

If we cease doing battle with life's incompleteness and see ourselves, as God does, on a journey toward wholeness and completeness we can better accept our disappointments and stand firm. The prophets told us, and Jesus reassured us: Be strong! Fear not! Sometimes we have to update our stories and replace them with newer, more accurate ones. When we make God's story our own and tune our radar into His voice, what we hear is all about restoration, healing, and rejuvenation! This is true even when we think we have hit rock bottom and can go no further. There is always hope. Remember the words of Julian of Norwich: God made us, God loves us, and God keeps us. Now, listen to God when He says, "be opened!" Be healed and allow your stories to change.
