Attention Faithful Women of St. Ann

You are cordially invited to attend the Annual Women's Retreat at Holy Family Passionist Retreat Center in West Hartford, CT. This year's retreat theme is "In the Spirit of Trust". When we think about the idea of "trust", we may think about how much we trust the people around us, family, friends, society, government or religion. But as scriptures remind us, the most important form of trust we can have is our trust in God.

The retreat begins with a buffet dinner on Friday evening and concludes Sunday with Mass followed by a brunch. There are three dates to pick from in Spring 2022: **April 22-24 * June 3-5**

Online sign-up links are on our website:
www.stannavon.org/womens-retreat

Financial assistance is available for those in need.

Please contact: Eileen DiMauro (860)675-4330,
Jacquie Warren (860)673-6761 or holyfamilyretreat.org.

The Holy Eucharist DID YOU KNOW?

The Gospel reading this Sunday is from Luke 13:1-9. It contains the parable of the little, barren fig tree, which is not bearing any fruit. The gardener asks the orchard owner for more time to allow him to feed the tree, so that it may bear fruit. After cultivating and nurturing it, he will cut it down only if it does not bear fruit.

Reflection: Lent is the time to examine if we are that little barren tree in God's Garden. Jesus is our loving gardener. He wishes to nurture and feed us with His own Body, Blood, Soul, and Divinity in the Holy Eucharist. With patience and tenderness, He leads us to bear the abundant Fruits of the Holy Spirit in holiness of life. Now is the time to repent and accept His gift of conversion.

EVERYDAY STEWARDSHIP

Recognize God in Your Ordinary Moments

Stoking the Lenten Fire

I think we all can acknowledge that there's a certain fatigue that comes over us all as we near the end of the Lenten season. Next week is Laetare Sunday, and I find that as soon as those pink vestments start coming out of storage, our collective motivation begins to wane.

I get that. Maybe you're fatigued — I am, too. Maybe you're doing well in your resolutions and devotions but you're in danger of coasting. Or maybe, like many of us this year or in past years, you don't feel that you have even really begun your Lenten journey.

Either way, chances are that the fire that was in your belly on Ash Wednesday is burning a bit low. All fires eventually do, once they consume whatever fuels them. So here we would do well to remember what fuels our Lenten fire.

Sometimes we make resolutions that have the appearance of being spiritual, but also have an earthly motive. We give up chocolate hoping to lose weight. We stop gossiping so our friends may like us more. There is nothing wrong with these sacrifices — just with their motivations.

As Moses removes his sandals to approach the burning bush, he sees that the fire burns brightly, strongly — but does not consume. It is propelled by something inexhaustible, something which is not of this world.

Is your Lenten fire fueled by God? Are you daily surrendering yourself to the same voice that boomed from the bush in Genesis — the voice that commanded the Israelites to do what seemed like the impossible?

- Tracy Earl Welliver, MT

INSPIRATION FOR THE WEEK

Live the Liturgy

God clearly reveals his identity as "I am who am." God, who is really beyond all names, is the One who simply "is" as the ground of all being. This ever-existing, uncreated, and all-encompassing presence of unconditional God, who is Love, is very patient as he waits for us to grow and change. God is so near to us that it is easy to miss his presence. As true love requires, God seeks a devoted, intimate, free, and exclusive relationship with each of us. As we walk through the parched, desert experiences of our lives it is easily in our thirst for water and a respite from the heat that we reach for and construct idols that will bring us immediate relief and satisfaction. These false gods, made out of our comforts and earthly desires can quickly take the place of the One who really has first dibs on our hearts. Humans have often wandered far away from God as St. Paul reminds us. In helping each other cultivate and fertilize the ground upon which we walk, God gives us yet another chance to bear fruit and return.

GOSPEL MEDITATION

Encourage Deeper Understanding of Scripture

Deserts can be lonely, isolated, and treacherous places. When a person wanders in a desert, they can easily get disoriented, dehydrated, confused, lost, and vulnerable. Temptation is at its peak, especially when confronted with something that may offer some respite or relief, even a mirage. Deserts can bring us to our weakest moment and tempt our faith. The Christian journey can be described as a desert experience as we vacillate back and forth, falling victim to the mirages of our lives versus the true, life-giving water offered by God. We need a burning bush experience in our lives that convinces us of the power of God and reveals Him as the "I am" of all existence.

Moses was leading his flock across the desert when he found himself at Mount Horeb. Mountains give us a fuller perspective of life, a panoramic view of what would otherwise be hidden from the limitations of our sight. That's when Moses met God. We have to find our way to a mountain experience where our vantage point can take on a wider view of life. Many things can do this for us: the birth of a child, the death of someone we love, the joy that comes from marveling at the beauty of God's work, the pondering of life's mysteries, and the ache of longing found deep within our souls. There are many things in life that can wake us up, give us a clearer, better view of things and become occasions where a bush may burn and God's presence as the eternal uncreated One is revealed.

God is very patient and gives us the time and space we need to figure things out and bear some good fruit. He doesn't rush to cut us down or get frustrated with our barrenness. But we have to remember that the desert journeys of our lives come with some risks. The major risk is that we will mistakenly believe that the mirages are real. Thus, we fall victim to thinking that the respite and refreshment we seek is discovered in a place other than where it actually is. Our faith and the life of the Church are the safeguards we need to keep us properly orientated so that we don't get lost or confused and stay on course.
