Dear Fellow Eucharistic Ministers,

A sign-up sheet is posted for the Sacred Triduum of Holy Week and Easter. Due to Covid restrictions, we will not be able to receive or distribute the Precious Blood during the Mass of the Lord's Supper. PLEASE SIGN for the MASS which is most convenient for you. One is for the side and the second is for the hall. When you finish on the side or hall, please go to the front and continue to distribute Holy Communion as needed. THANK YOU.

As we celebrate Easter followed by Divine Mercy Sunday, we should see a glorious connection between the two Feast Days. We know from St. Faustina's Diary that she saw both red and white rays of light pouring forth from the Heart of Jesus, which we see depicted in the images of the Divine Mercy. The rays symbolize the blood and water, which poured forth when Our Lord's side was pierced by the soldier's lance, as He hung on the cross. The red rays symbolize the Precious Blood of the Holy Eucharist. The white rays symbolize the waters of Baptism. But did you know that St. Faustina also saw the same rays pouring forth from the Blessed Sacrament? They flowed forth and enveloped the whole world! What a profound gift of grace! What a miraculous meditation we could ponder by contemplating this thought.

Wishing all of you and your families a Blessed Triduum and a Holy Easter of blessings and joy. Also wishing that the great gift of Divine Mercy may fill your hearts and souls during this Easter season.

Peace and God's blessings,
Deb and Sandy
