Mission Statement

The Men's Club of St. Elizabeth Ann Seton functions as a means of fellowship with the men in our parish community.

As a fellowship, we come together to share our God-given talents and time. Our combined efforts are rewarded and shared with the parish community.

The Club was founded when our parish began in 1976 and is open to all male parish members over age 21.

Fellowship

Every month, 70 to 80 motivated men get together in a ritual known as the Monthly Men's Club meeting. Some are young executives on the way up. Others are older, retired folk, maybe somewhat past their prime!! But they are an excited and enthusiastic bunch. All are served

dinner and plenty of refreshments. Many join in card games after the business meeting.

As a member you can participate as a dealer at our

own Casino Festival as well as at our outside casinos, or by helping setup equipment for the casinos. You can help with ticket sales for our spring raffle. You can help in soliciting prizes and auction items for our casino night. You can also help out on Donut Sundays and with various other parish activities that we support.

Donations

Due to the hard work of the Men's Club members we are able to make significant annual contributions to organizations such as:

CREW

Vacation Bible School

Habitat for Humanity

Knights of Columbus

Lil Warriors Charity

Shawl Ministry

Scholarships

Each year we award \$19,000 in scholarships to deserving St. Elizabeth Ann Seton students entering college or a Catholic high school. Also, the student with outstanding community and parish service achievement can be awarded the \$5000 Ed Wall Memorial College Service Scholarship. Applicants are selected based on work submitted and evaluated by our scholarship committee. Interested Men's Club members can choose to serve on the scholarship committee.

We're very proud of all our applicants!

Family Activities

The Men's Club plans and holds an array of activities for the members and their families. A favorite is the annual Family Picnic held at the Country Place Clubhouse. At the picnic we present the Men's Club annual donation to Fr. Bradley and the Parish.

As families, we enjoy Rough Rider baseball outings and take trips to Lone Star Park.

For the members, there are Spring and Fall golf tournaments and a bowling tournament against the Knights. Several members get together each week for golf and/or bowling.

The club sponsors a monthly card night for the members and their guests.
