SUNDAY JUNE 28, 2020

## *Thirteenth Sunday in Ordinary Time*

Dear Friends,

On Pentecost Sunday, the majority of you should have received either an email or a text from the Archbishop announcing the newest re-structuring of the Archdiocese called **Families of Parishes**.

As I am sure many of you found this surprising, let me tell you, the majority of the priests of the Archdiocese were VERY SHOCKED and surprised, too! We heard about it on a videoconference with the Archbishop about one week earlier! So, as people have emailed me and asked me questions about all of this... truly, I have no other information than you. At the end of the month, on Tuesday, June 30, another videoconference is planned for all of the priests with the Archbishop. So, if you haven't heard, or didn't read the email that was sent out, this is what I know about Families of Parishes, and I share with you the Archbishop's words:

*"Synod 16 called for a complete renewal of structures of our parishes to make them radically mission oriented. Our goal is to make our parishes places where individuals and families can encounter Jesus anew, grow as disciples, and be equipped to be witnesses to the Risen Christ. The current health and economic crises have accelerated the process of renewing the way our parishes are organized and structured. It is clear we need a new model for continuing on mission.*

*Over the next two years, all parishes of the Archdiocese of Detroit will join other parishes in new groupings called "Families of Parishes." **Families of Parishes are groups of parishes, generally three to six, sharing resources to advance the mission.** This new model will allow the priests, deacons, and lay staff associated with each parish to better share their gifts and talents with the whole Family of Parishes.*

*While the move to Families of Parishes has been deemed necessary and appropriate by Archbishop Vigneron, the specifics about how best to achieve this directive have not been decided. A proposal has been drafted based on an initial assessment of our own circumstances, combined with what has been learned from other dioceses who have made similar structural changes. A phase of discernment and planning will take place from Pentecost through Advent of 2020, involving members of the presbyterate and laity committed to developing structures that serve our needs and advance our mission.*

*This is a significant change of the way our parishes are currently structured, but a necessary step in our missionary transformation. Just like the early Church and the missionary activity of the early apostles, the transition to this new structure will require docility to the Holy Spirit, a spirit of collaboration and innovation, and confidence in God who continues to lead us in our mission to unleash the Gospel in southeast Michigan.*

*Before the pandemic, the local and universal Church were already facing significant challenges, including the shortage of priests to care for parish communities. The coronavirus pandemic and its associated health and economic crises accelerated these problems.*

*We now have fewer resources to keep our mission active. Archbishop Vigneron, in consultation with clergy and lay advisors, has determined that now is the time to act.*

*Our mission to unleash the Gospel hasn't changed, but how we approach that mission must shift in response to our circumstances.*

*We must move forward with greater collaboration and better stewardship of our resources. With this shift, we take inspiration from the early Church. From the beginning, Christ knew the mission he gave his disciples would be difficult and that they would face many challenges, so he sent them to preach the Gospel two-by-two (Mk 6:6-7 and Luke 10:1). Like us, the early disciples knew what was asked of them but not necessarily how to accomplish it or what the end result would be. St. Paul himself was shipwrecked three times (2 Cor 11:25) but wherever he ended, he remained committed to the same mission with which we are entrusted today. Because of St. Paul's commitment and the commitment of the early apostles, the Gospel was heard across the world.*

## Our Plan to Reopen the Parish Office

MESSAGE FROM FR. DENIS AND JULIE LUPO

Our whole world has changed. It is difficult to recollect everything we have been through these past three months. We hope that the live-streaming of Masses and daily reflections have helped you feel connected to your parish community. We will continue to livestream both the Masses and Reflections for the foreseeable future.

We are very grateful that we have been able to welcome you back to public Masses and happy to see everyone that has been here these past weeks. We look forward to seeing more of you as time goes on.

With the church open for Masses, the next step is to prepare to reopen the Parish Office. We want you to feel comfortable when you visit. We have been working on a plan that follows CDC recommended guidelines that allows us to create an environment that is safe for both you and our staff. Our planned date to reopen is **Tuesday, July 7**. You will notice various changes in the way the office looks, as well as a few new practices. Here are the things that have been put into place starting July 7:

### Parish Office:

- Office hours have been changed for the time being. The new hours are 8:30 a.m.–2 p.m., Monday through Thursday. The office will remain closed on Fridays.
- Please allow us to continue to help you over the phone and through email as much as possible.
- If you would like to come in, please call (248) 349-2621 prior to your arrival to ensure that someone is available to assist you. This will also allow us to be prepared to take care of you when you arrive.
- Entry to the office will be through the Parish Office main doors only. The church doors will remain locked during the day. If you come for Mass first, please exit the Gathering Space and go outside and around to the office doors to enter.
- Chairs have been added to the main hall for you to sit when needed.
- Please wear a mask when coming to the office. Staff will also wear masks.
- The front office has a new half door—rather than have you enter the office, please allow Janet or Kim to assist you at the door. A bell has been installed should they have stepped away momentarily.
- We prefer that no one enter the interior offices at this time. We will be happy to help you retrieve mail or make copies while you wait in the main hall.
- Please deliver any food, clothing, baby items, etc., that you would like to donate directly to the organizations. We are not able to accept these types of donations at the office at this time.

### Church/Gathering Space:

- Although the Parish Office will reopen, the church will remain closed throughout the day. The Kateri Chapel will continue to be open 24 hours/day, seven days/week for private prayer.

### Meeting Rooms:

- Until we can offer meeting space safely to groups, our meeting rooms will remain closed. Watch our website or wait for Ellen O'Neil to contact you for the time when you can schedule a room again.

### Evangelization Library:

- The library will remain closed. We plan to reopen some time this fall.

Thank you for your patience and understanding as we navigate down this ever-changing road. We will be sure to communicate any necessary adjustments as the reopening date gets closer. We look forward to welcoming you back to the office soon!

*Like the disciples, we have been asked to unite and go on mission together, enhancing each other's strengths and working collaboratively to Unleash the Gospel around us. And while the impact of the pandemic may feel like a shipwreck – like St. Paul, this is not what we planned or wanted – we know that God wants us to continue his mission with the same zeal and dedication of the early apostles. He will be with us every step of the way."*

Please pray for me and for all the priests and parish staff members, as well as all of the people of the Archdiocese. These will not be easy months...years of reconfiguration and change. I hold you in my heart and prayers.

Blessings, *Father Denis*

## CHRISTIAN SERVICE CONNECTION

### Baking for Education

This is Courtney Cassidy, a sophomore in high school and a former student at OLV. I recently created a page on JustGiving.com titled **Baking for Education**. I created this page so I could sell my homemade desserts and donate the proceeds to the *Mercy Education Project*. The Mercy Education Project provides tutoring, educational summer camps, and literacy programs that prepare girls and women in Detroit for college and joining the workforce. A good education is not a reality for many young women in Detroit. With your help, I will be able to donate to the Mercy Education Project to change the lives of girls and women in Detroit

I am still getting organized at the moment, but plan to start selling my desserts in July. Please look for more information in upcoming bulletins. The link is: [www.justgiving.com/fundraising/bakingforeducation](http://www.justgiving.com/fundraising/bakingforeducation).

Thank you, Courtney Cassidy

### PLYMOUTH SALVATION ARMY

At this time, the annual Post Office Food Drive, has been postponed, and no new date has been scheduled. For the past 10 plus years, we have relied on this food donation to sustain our food pantry through September and early fall. Without a new date in place, we are actively looking at how to replace this food. Last year's food drive from the Canton and Plymouth Post Offices was over 39,000 pounds of food!

Our community has been very generous with dropping off food and monetary donations through this pandemic. These donations are what is keeping our food pantry stocked and allowing us to provide food for our neighbors.

**Wish List:** jelly, peanut butter, oatmeal, cereal (small boxes), pancake mix and syrup, canned tuna/chicken, instant potatoes, stuffing, pasta side dishes, rice, Hamburger Helper, soup, mac & cheese, Manwich sauce, canned spaghetti/ravioli, spaghetti sauce, canned vegetables/fruit, apple sauce, crackers, jello/pudding, juice, hamburger, lunch meat, hotdogs/buns, eggs, milk and cheese.

Donations can be brought around to the back pantry door, which is under the overhang in the corner near the windows (just look for the garage door and then immediately left). There is a doorbell that you can ring to let our social service staff know that you have a donation to drop off. Our building is open Monday-Friday from 8:30 a.m.-12 noon and 1-4:30 p.m. to accept your donation. Thank you!

While the church is closed, we are unable to accept donations at this time.

## OLV St. Vincent de Paul Society Conference #437

In today's Gospel (Matthew 10:37-42), you will hear Jesus tell us: "Whoever gives only a cup of cold water to one of these little ones to drink because the little one is a disciple—Amen, I say to you, he will surely not lose his reward."

*The heart of the paschal mystery is dying and rising. Our daily living can sometimes seem to have more dying than rising. The simple demands of our lives pull it out of us: feeding the infant in the middle of the night, ferrying the kids to soccer, helping with homework when we are dog tired, cleaning the house & preparing meals, taking time to share a good thing with a spouse, calling & visiting an aging parent, helping the suffering and the poor. One of the great encouragements of today's gospel is that all this behavior—like giving "a cup of cold water"—may seem small to us, but to God they are actions that correspond to those of Christ. The message is that our generosity is far surpassed by God's generosity. (Living Liturgy, p.188)*

# Faith Family Friends

for these we give thanks

Would you be willing to share a story?

We have all had a time when something happened in our lives and our faith helped us through. Maybe it was a time when you had an “aha!” experience during a Bible Study, Prayer Group or at worship? Maybe it was just a moment with the family and something special came over you.

If you are willing to share your moment, please contact Colleen Misiak at [cmisiak@olvnorthville.net](mailto:cmisiak@olvnorthville.net). This would just be a simple sharing for the weekly bulletin and our parish website.

Thank you and God Bless!

*My early memories of my faith journey take me back to St. Robert Bellarmine in Redford Township. My family moved there when I was starting grade school, so my brother, sister and I grew up attending Catholic school. The best memories of school came from a certain Priest that changed the way all of us younger kids thought about being active in our community. He came in and made our little school and parish a real family. That Priest is none other than Fr. Denis. I had the pleasure of being an altar server for him. I always remember how comfortable he made me feel while I had to be in front of all those people every week at Mass. It also made me feel good knowing that I wasn't going to be the shortest person on the altar that day so he helped my self-confidence as well without even knowing it!*

*It was a sad time when we had to say goodbye to Fr. Denis. I had always imagined him being there when I finally found the person I was going to marry. I imagined being married at that church because that was all I knew at the time. As I grew older, I had my own circumstances that began testing my faith. At times, I had become so disconnected that I couldn't see myself coming back and being as faith-driven as I had been as a child. But I realize this was all a part of my journey. The times I strayed away, God was always there reminding me that he loved and forgave me. I had always felt His presence even when I thought I was walking alone. In those years I had personal struggles and areas of loss that took their toll. But I always knew that in order to feel complete again I needed to mend the most important relationship, which is the one I have with God.*

*By trusting in His plan and by taking the steps necessary to correct my life I found my way back to my faith. The biggest reason why I was able to find my way back was because of my wife, Ashley. Ashley found me during a rough time in my life yet she stuck beside me and brought me back into a place of peace and love. I saw how her faith and belief in God always gave her this immense energy and positivity and I knew I wanted this for myself. So she helped me find my way back. So much so that I knew the last step in reconnecting with my faith was to be closer to the person who seems to be closer to God more than anyone I've ever known, Fr. Denis. My wife and I moved to Northville for many reasons. But the biggest one was so we could find a Church community that we could join and raise a family. We have been members of this parish for a few years now, and we feel more and more at home with every passing week. Furthermore, my dream came true this past August when I married the woman of my dreams as Fr. Denis presided over us and gave us the greatest ceremony I've ever been a part of.*

*Ashley and I both wanted to make our love of life and our positive mindsets a way of living. We wanted to teach others, that through faith and positivity, anything is possible for those who are willing to take the necessary steps in finding purpose and reason. We started a community called **For The Good** a few years ago. We hope to spread this message and cultivate it while taking an active role in our Church community.*

*When we joined this parish and started our own faith story, we were given the best guidance available in Fr. Denis and Deacon Ric. They both have welcomed us with open arms and have been something truly special for us. We can't thank OLV enough for welcoming us and making us feel like a part of the family. We are just getting started here and we can't wait to help this community grow even larger. All things are possible with God. Trusting in his plan and going forth with an open heart and positive mind will lead us exactly where He calls us to be.*

## Welcome Back OLV!

### OLV CYO Fall 2020 Sports Registration Closes June 30

2020-2021 OLV CYO Fall Sports Registration is now open at [www.OLVAthletics.com](http://www.OLVAthletics.com) for incoming students and parishioners in grades 3-8 who are interested in playing OLV CYO **Cross Country, Cheer, and Volleyball**.

Football teams are combined with Our Lady of Sorrows and other neighboring parishes. Registration for CYO Northwest Catholic Football team can be completed directly at [www.nwcatholicfootball.com](http://www.nwcatholicfootball.com).

See age specifications and the rules of each sport next to each sport under the registration tab at [www.OLVAthletics.com](http://www.OLVAthletics.com). For planning purposes, we ask that all **Registrations are completed by June 30, 2020**. The sooner we have commitments from players, the easier it is to solidify teams and secure our coaching staff.

Pending COVID-19 and government updates, practices are expected to start in the **second week of August**. Number of teams and grade composition of each team will be determined by number of registrants. Registration does not guarantee a position on a team and try-outs may be conducted if the number of registrants exceeds the number of openings.

A student must submit a current health status/physical (dated after April 15, 2020) to be eligible and considered for a team prior to the first practice, along with full payment of the registration fee.

Visit [www.OLVAthletics.com](http://www.OLVAthletics.com) to register. Online payment is expected at the time of registration via credit (VISA, MC) or debit card. No account necessary and no checks accepted. If the season or a team is cancelled for any reason, refunds will be electronically processed.

If you are interested in coaching any of these sports, please read the Coaches Information requirements on the left menu at [www.OLVAthletics.com](http://www.OLVAthletics.com) and apply online under Player-Coach Registration. Coaching positions are assigned on an annual basis.

## Always so much work to get done in the Spring!

Don't forget to take some time for yourself! While flowers hibernate in the winter, they come to life again in the Spring. Sometimes our own issues get buried for the winter, but bloom again in the Spring. Getting paired with a trained **STEPHEN MINISTER** does not make your problems vanish. But when shared, problems can seem more manageable. Getting support is always a good Spring project!

For information, please call our confidential line at **(248) 349-0216**.

This is a reminder that Our Lady of Victory Church and School will never ask you for money or help on behalf of Fr. Denis.

If you receive an email, text message, or phone call inquiring about this, please disregard it immediately.

Thank you.
