The Resurrection of the Lord

Dear Friends,

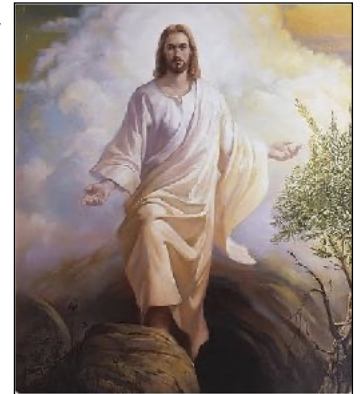

Amen, Alleluia! Our Lenten journey and pilgrimage are over. Our fasting is complete; now we can feast and celebrate. We have traveled with Jesus from the austerity of the desert to the new life coming from the empty tomb. Having walked with Jesus as we carried our cross, we now share in and experience the joy and power of his resurrection.

Watching the news or reading newspapers, all of us are very well aware of all the suffering and pain that exists in our world today. There isn't a day that goes by when we don't read the story of a random act of terrorism or a shooting of one kind or another. There are painful scenes of war and terrorism on our television, most if not every evening. Even in our own country and communities there are senseless acts of violence that leave families grieving for the death of a loved one. How are we meant to celebrate Easter in such difficult circumstances?

Even at the time of Jesus there was discrimination, injustice, and poverty. He would have seen it, experience it and been very familiar with it. But it is into that world that he came with the good news of the Kingdom of God. It is into our world today that Jesus comes with the same good news. It is in and through our world today that we experience and share in his resurrection.

The trial and crucifixion of Jesus must have been such a painful and even disappointing experience for his friends, followers and family. They had placed such hope in Jesus; in his preaching, his teaching and in his miracles. Then they had to stand and watch as he was rejected, betrayed, condemned, beaten and then crucified. They stood and watched him die.

Jesus comes risen from the tomb in and through our ordinary, daily lives and our world today. The resurrected Jesus comes to us as we are. But he also comes as he is; through the power of God he is resurrected and comes to us with the gift of new and everlasting life. Death has not had the final say. Where there was despair, God brings us hope. Where there was darkness, God has bright light. Where there was death, God brings us not just life, but new and everlasting life. These are the gifts that God offers each of us through the resurrection of Jesus.

In a world where there is often the reality of suffering, violence and injustice, we are called to be people of hope. This is not ordinary human hope. This is the hope that comes to us through the resurrection of Jesus. In the face of sadness, difficulty and pain, we are called to look toward and rely on the resurrected Jesus..and not just on our strength and resources.

The call, invitation and even challenge of Easter is that we, each of us, experience it personally deep within ourselves. We are called to be an Easter people, people of the resurrection. I am called and asked to be people who are filled with the new life and hope of the resurrected Jesus.

We may be tempted to give in and give up on the world as it is today. However, because we now share in the powerful resurrection of Jesus, we are to live our daily lives full of Easter hope. As Pope Francis says to us, *as Christians, we must never look like people who have just come back from a funeral!* This Easter Sunday and for the rest of the Easter Season, may we be people who are filled with the **Light, Joy, Life, and Hope** of the Resurrection of Jesus!

The Lord is risen! Alleluia! Alleluia! Alleluia! Father Denis

Happy Easter!

OLV Music Ministry

"God has bestowed upon his people the gift of song. God dwells within each human person, in the place where music takes its source. Indeed, God, the giver of song, is present whenever his people sing his praises." - Sing to the Lord: Music in Divine Worship

The Music Ministry enhances our liturgies and celebrations with the Church's rich tradition of music, both vocally and instrumentally. Participants in music ministry enjoy that special sense of community that comes from making something beautiful together for God and for his people. At OLV we have many opportunities for you to participate in our liturgies through music: **Children's Choir, Adult Choir, Contemporary Music Group, Handbell Ensemble, Resurrection Choir, and Cantor Ministry.** Do you like to sing? Can you play an instrument? Please contact me for more information about how you can share your musical gifts with our Parish family.

Happy Easter! Johnny Kash, Music Director

OLV St. Vincent de Paul Society | Conference #437

Live Your Faith. Join the Society of St. Vincent de Paul.

Since 1833, the Society of St. Vincent de Paul has been servicing those in need.

As we celebrate the feast of Easter today, we find the challenge of also seeing and believing the resurrection that comes through our own lives of self-sacrifice which brings new life to others.

We can hardly grasp the joy and glory of this Easter Sunday! Easter is more than a celebration of the resurrection of Christ, it is an invitation to each of us to preach the gospel and take our place in the long line of witnesses to Jesus' resurrected life. This is why we are so overwhelmed by the mystery: not only that Jesus was raised from the dead but that God entrusts us with Jesus' mission, and to bear witness to God's mighty deed of resurrection. It seems as though God truly trusts us a great deal. (Living Liturgy, p.112)

Are you a young person interested in learning how you can help those in need in our community? OLV's SVdP Ministry welcomes participation from ALL generations; if you'd like to learn more about OLV's SVdP, please leave your name and contact information on our Hotline at (248) 349-2622 or stvincent@olvnorthville.net and a member will contact you. Or join us at our next monthly meeting on **Tuesday, April 9, at 7:00 PM, in the St. John XXIII room.**

OLV SCHOOL NEWS

Greetings from the OLV Art Room!

By Mrs. Petra Hinderer, Art Room Teacher

I am very excited to say that the students have been working diligently to learn new skills and produce some amazing works of art! From learning new ways to use familiar materials to creating with new mediums the students have far exceeded my expectations this year! The 6th and 8th grade students are currently working on their clay projects, while the 7th graders are trying their hand at creating a mosaic with paper. The younger students are getting ready for Easter Break and will be making their fun Easter posters to take home and display for the family. Even though it doesn't feel like it outside, Spring is here and we are going to be using that as our inspiration for upcoming projects! Examples of beautiful work below:
