

# SIXTEENTH SUNDAY IN ORDINARY TIME

## JULY 22, 2018

---

### A NOTE FROM THE PASTOR

Dear Parishioners:

In the Gospel this weekend, after returning from many exhausting days of preaching the Gospel, driving out demons, and healing the sick, Jesus invites His Apostles to *“Come away by yourselves to a deserted place and rest a while.”* How much we need to heed those words of our Lord. Hopefully, this summer will provide some time for all of us to get away for a while and rest. But on a deeper level, we also need to hear these words of Jesus as an invitation to prayer. The somewhat slower pace of summer is a good opportunity to spend more time with the Lord in prayer.

It is so easy for us to think that we are so busy that there just isn't time for prayer. However, the truth is that carving out some time every day to pray strengthens and focuses us to do all the things we have to do better. Jesus tells us by word and example throughout the gospels, that taking time to pray is something we cannot do without if our faith is to remain alive. Prayer is thinking about God. It is raising our hearts and minds to God. It is having a conversation with God. And most importantly it is listening to Him. Reading the Scriptures, especially the four Gospels just a little bit every day; reading some good spiritual books; meditating upon the mysteries of the Rosary; spending a little time before the Blessed Sacrament, even if there is only time for a brief visit; just keeping Jesus on our minds and keeping a conversation going with Him throughout the day, will help us to see things differently and to handle things better.

Prayer, however, takes a lot of faith and a lot of patience. It is so easy for us to give up on prayer, especially when nothing seems to be happening in answer to our prayers. Many of the Saints will tell us that this is because we often are not seeking God's Will in our prayer, but our own will. Saint Padre Pio said, *“God always hears and answers our prayers. He promised that. But He did not tell us how or when He will answer them.”* As Saint Mother Theresa put it, *“Ultimately prayer goes beyond asking. It is putting ourselves in the hands of God and listening for His gentle voice in the silence of our hearts.”*

And for those who feel that their lives are just too busy to pray, Saint Mother Theresa again provides much wisdom. She said: *“Prayer does not always demand that we interrupt our work, but that*

*we continue working as if it were a prayer. It is not necessary to always be meditating, nor to consciously experience the sensation that we are talking to God, as nice as this would be. What matters is being with Him, living in Him, in His Will. To love with a pure heart, to love everybody, especially to love the poor is a twenty-four-hour prayer.”* May God bless us all.

Sincerely in Christ,

Rev. Matthew J. Furey

### RITE OF CHRISTIAN INITIATION OF ADULTS

If you or someone you know have not been baptized or have not received the Sacraments of Holy Communion or Confirmation, and would like to, the Rite of Christian Initiation for Adults (RCIA) is meant for you. The RCIA is the process by which the Church receives new members into our Catholic community through the Sacraments of Initiation (Baptism, Confirmation and Holy Eucharist). It consists of instruction sessions and liturgical celebrations meant to inform individuals of the teachings of the Catholic faith, to help them discern whether they wish to become Catholic and to prepare them to be received into the Church at Easter. **These classes are also open to adult parishioners who would like to be more informed about their faith.**

If you are interested in participating, please call the Rectory (357-0035). The first session will start late in September. Sessions will be held once a week from 7:00 - 8:30pm in the Rectory. Those interested will be contacted with the exact starting date.

### ANOINTING OF THE SICK

#### JESUS CAME TO HEAL THE WHOLE PERSON BODY AND SOUL

The Rite of Anointing tells us there is no need to wait until a person is at the point of death to receive the Sacrament. When the Sacrament of Anointing of the Sick is given, the hoped-for effect is that, if it be God's will, the person be physically healed of illness. But even if there is no physical healing, the primary effect of the Sacrament is the healing of the soul by which the sick person receives the grace of Holy Spirit and the peace and consolation the Spirit brings to deal with the difficulties that accompany serious illness or the frailty of old age, or the anxiety of having surgery. Please call the Rectory and ask at any time if you or someone you know desires this Sacrament of Healing.
