

TEST to STAY

Increase In-Person Classroom Learning

As a state approved laboratory, Ethos is offering the FDA EUA COVID-19 Rapid Antigen testing of asymptomatic individuals who have had close contact with a confirmed COVID-19 infection.

**DAILY RAPID TESTING
MONITORS FOR COVID-19
RATHER THAN QUARANTINE.**

Those who test negative, stay in school.
Those who test positive, quarantine.

No Cost to Students or School Staff

Opt-In or Opt-Out at Any Time
