CGS is a religious education program which takes place in a specially prepared room called the atrium where children have the opportunity to work with hands-on materials related to Bible stories and the Mass as they grow in their own personal relationship with God. CGS is offered to children in the parish and YCC and K - 2 in the school. CGS is being asked to expand what is currently offered, but more volunteers are needed in this ministry. Join us for this social and informational event to find out if this may be a place where you are called to use your talents or simply come to find out more about the program.

SUMMER BLOOD DRIVE
JUNE 19
PARISH HALL

Save a life like Heather's by donating Blood on June 19th:
"When I was 4 years old, I keep vomiting up blood and they had to give me lots of blood. The doctors found a tumor in my stomach which took two operations and even more blood. Now I'm older and happy. I like school, baking and playing outside with my friends. When I get a chance, I love visiting blood drives to thank the donors. I just want to hug every donor and tell them thank you for giving my life back and that they are starting another chain reaction for other people like me."

Prayer for Summer

Dear God,

You made the four seasons. Each summer arrives as part of your perfect pattern and will, yet is unique unto itself. This summer, help me to see not only the enjoyment of vacations, but the joy of your will. Help me to feel not only the pleasure of a warm sun, but the contentment of a life guided by you. Help me to know, not only the satisfaction of a project completed, but the fulfillment of a heart filled by you. Help me to see you in all things, Lord, in all the seasons of life you give us.

Amen.
