After many years with the Remey envelope company, they merged with another envelope company and unfortunately, we have found that the quality of the envelopes and the service we received has significantly declined.

As a result, we reviewed available alternatives and are happy to inform you that we have switched to Cathedral company effective with the June mailing.

I am confident that you will find a noticeable difference in the quality of the look and feel of the envelopes without additional cost as well as the outstanding customer service we are receiving.

their parish. We thereby hope to not only help each family participate in the Church's mission of evangelization, but to also strengthen our members and revitalize our parishes.

Living as the domestic church is extremely effective. Throughout all of Judeo-Christian history, there has been nothing more effective at evangelizing the culture than regular, everyday people choosing to live their faith at home and in the public square. Salvation history was changed forever by a family. Did you know that the Knights of Columbus Congers Council 7104 along with the Catholic Daughters have sponsored a billboard on Route 9w just north of Congers? The Knights and Catholic Daughters help evangelize and spread the Good News!!

Mother's Day

With Gratitude to All Women on Mother's Day

Here are some excerpts from *St. Pope John Paul II's Letter to Women* (June 29, 1995)

Thank you, women who are mothers!

You experienced joy and travail as you sheltered a human being growing within you. You are God's own smile upon the newborn child, the one who guides your child's first steps, and the one who is the anchor as the child makes its way along the journey of life.

Thank you, women who are wives!

You join your future to that of your husband's, in a relationship of mutual giving, at the service of love and life.

Thank you, women who are daughters and women who are sisters!

Into the heart of the family and then of all society you bring the richness of your sensitivity, your intuitiveness, your generosity and fidelity.

Thank you, women who work!

You are active in every area of life: social, economic, cultural, artistic, and political. And you make an indispensable contribution to our culture, bringing both reason and feeling, opening us to the sense of "mystery," and establishing economic and political structures ever more worthy of humanity.

Thank you, consecrated women!

You sisters follow the example of the greatest of women, the Mother of Jesus Christ, the Incarnate Word, as you open yourselves with obedience and fidelity to the gift of God's love. You help the Church and all mankind to experience a "spousal" relationship to God, one which magnificently expresses the fellowship which God wishes to establish with his creatures.
