SPONSOR CERTIFICATES

Only the parish office handles sponsor certificate requests Monday to Friday, 9AM to 5PM. 718-356-0294. To be considered active members of our parish, each family and single adult must be **properly registered** and must **regularly use the weekly donation envelopes at Sunday Mass**. This is the only way the parish can issue a Godparent/Sponsor Certificate (or other letter) declaring that the person named is a practicing Catholic in good standing with the Church. Parishioners must be registered and **must be using the envelopes for at least 6 months before a Sponsor/Godparent Certificate can be issued**. Besides attending Mass each Sunday and Holy Day, a godparent/sponsor must also be **confirmed Catholic**, and if married, be **married in the Catholic Church**. Cohabitation disqualifies a person from serving as godparent. If your child is approaching a Sacrament for the first time, **please let godparent/sponsor candidates know of this protocol well in advance so that the candidate will have plenty of time to rectify any impediments that would prevent him/her from serving as godparents**.

FROM THE PASTOR'S DESK

Dear Parishioners,

Conor Gallagher and his wife, Ashley, have 13 children. In his book, *Still Amidst the Storm*, Conor writes, “When my son Paul was two years old, we heard him scream upstairs. We have a lot of screams in our busy house, so I paid little attention for the first few seconds. But then the scream seemed different. Something was wrong. I got up and started for the stairs and found my older son carrying Paul to us. Paul was grasping his leg. I looked into his eyes and agony looked back at me. His femur was broken. I’ve heard that a femur break is worse than a bullet wound, and now I believe it. His leg was swelling rapidly. I knew that it’s possible to bleed to death from femur breaks within minutes due to the large arteries running up your leg, and so we made a splint with magazines and Ace bandages, put him on the ironing board like a stretcher, and carried him to the car. We could get to the ER faster than the ambulance could get to us.”

“From the ER, he was taken by ambulance to the local children’s hospital. They could not put his leg in a cast until the swelling went down. So, every time he moved, the pain would seize him. He was only two and could not grasp the simple instruction ‘stay still’. They could not give him much pain medication at all. His two-year-old lungs could not handle serious pain killers like morphine. I pulled a chair next to his bed and sat there all night. Every ten minutes a nurse or someone would enter the room and startle him from his sleep invoking pain all over again. He suffered deeply. I suffered deeply. I felt like Mary at the foot of the Cross. (I cried out) ‘Please God! Snap my femur and heal his!’ Without question, without hesitation, I would have taken that deal.” Fortunately, young Paul healed nicely from his injury.

Our religion is not about dos and don’ts and commandments. They’re only part of the equation. Our religion is about a God *who so loved the world that He gave His only Son...*(John 3:16). Jesus was willing to have his femur snapped so that our femurs could be healed. He suffered to transform our suffering. He died to morph our mortality into eternal life. God has done so much for us!!! What will we do for Him?

Perhaps you’re thinking, “What can I do for God? He has everything. He knows everything. What can I do?” A woman named Mary Pyle was a disciple of Padre Pio, the great, miracle-working saint of the twentieth century. Old age and sickness confined her to her bed. Saint Pio visited her. She told him, “I feel so useless. I can’t even get out of bed. What can I do?” The Saint looked her in the eyes and said firmly, “You can do the will of God.”

By doing the will of God we do so much for ourselves and for those around us. Why? Because by surrendering to God’s will, by obeying God’s laws, by imitating Jesus, we spread light and love. We can do God’s will.

God bless you!
Father Eric

Examination of Conscience, Explained

In Paul's First Letter to the Corinthians, the apostle writes that it is imperative for a Christian to reflect on his conscience before he partakes of Holy Eucharist: "Let a man examine himself, and so eat of the bread and drink of the cup" (1 Corinthians 11:28). The practice of examining one's conscience before seeking the Sacrament of Reconciliation thus dates to the very beginning of the Christian faith and was encouraged as a regular practice by many saints and founders of religious orders as a means of growing in virtue.

An examination of conscience, when it relates to the sacrament, simply means reflecting on one's actions (and particularly the intentions behind those actions) since the penitent's last absolution, making note of lapses in judgment that should be confessed. A good basis for this reflection can be the Ten Commandments, the Beatitudes and the seven deadly sins.
