Dear Holy Family Parishioners-

It is hard to believe that we have reached the end of the school year. I would like to thank you for your faith, trust, and commitment to Catholic education and the students and staff of Christ the Teacher Catholic School.

It is your belief in the Catholic education values that help us continue the great things we do in our school. I am always humbled by the outpour of support you as Parishioners give to the children and CTCS school community. Without you we would not be the school community I enjoy being a part of.

What an exciting time for all of us as we continue to grow the long tradition of Catholic Education. All of this has come with many different emotions; excitement, nervousness, anxiety, stress and much more but overall it has given us the opportunity to work together to continue to provide academic excellence to students in the Yakima Valley. We are committed as a school to continue to put the children first in everything we do!

Although, it is a hectic time of year, it is the time when I reflect on how blessed we all are to be part of such an amazing community. We have many new and exciting events and ideas for this next year and we are anxious (not too anxious) to get back at it in the fall. Our enrollment numbers so far for the 2019-2020 school year are looking amazing, with currently 152 students enrolled. We currently have 3 total preschool classrooms, 2 kindergarten classrooms and it looks as though we will also need 2 first grade classrooms this next school year. I ask that you share the great things happening here at CTCS with your friends, family, neighbors and co-workers. Invite them also to follow us on Facebook and Instagram. We are excited at what the future holds for CTCS!

I end this letter with a quote by Mother Teresa, "I CAN DO THINGS YOU CANNOT, YOU CAN DO THINGS I CANNOT; TOGETHER WE CAN DO GREAT THINGS."

We are blessed with how things are going on our new campus and I am thankful for each and every one of you. I wish you all a wonderful summer and ask that you keep us in your prayers and thoughts as we work through the summer to prepare our school for its continued growth.

May God Bless you this week and throughout the summer-

Heather Remillard

Family Connection

loyolapress.com/our-catholic-faith/

In our age of fast food and eating on the go, families often find that they are not eating meals together at a dinner table. As a family, look back over the past week and recall how many meals were eaten together and how many meals were eaten alone or on the run.

In the Bible, meals are seen as much more than a means to satisfy a physical need. The Hebrew people viewed eating a meal as a way of expressing and strengthening their relationship to one another under God's covenant. It is no coincidence that meals are often the setting of Jesus' teaching and miracles in the Gospels. In this Sunday's Gospel, we hear the story of Jesus feeding the crowd of 5,000 people.

Read this Sunday's Gospel, Luke 9:11b-17. Talk about the kinds of hungers that people have in addition to physical hunger. Describe the hungers that a family nourishes (love, compassion, forgiveness, laughter, and so on). Together give thanks for the food that Jesus gives us that we celebrate on this Sunday's feast of the Body and Blood of Jesus. Make a commitment to share in this Eucharistic meal together as a family.

THE BODY OF CHRIST AND YOUR RESPONSIBILITY

by Noah Salas <https://lifeteen.com/blog/body-christ-responsibility/>

How often do you take the people that you sit next to at Mass for granted? Not quite sure what I mean?

Picture this: you wake up on Sunday morning, and end up feeling extremely tired. You want to go back to sleep, but your family is going to Mass. Somehow, through your exhaustion, you made it through the entire Mass but spent the whole time just thinking of getting back to sleep once you get home.

Whether it be lack of sleep, or some event on my daily schedule happening later in the day, I've caught myself zoning out in Mass before, without really focusing on the significance of what is happening in front of me or acknowledging those around me. God has given us the greatest gift possible — the fact that He's giving us Himself in the most precious body and blood when we come up to receive the sacrament during Communion. If we really knew that in the depths of our hearts, we'd have to share it with others! Why, then, have we not taken the time to get to know those sitting around us in the pews?

WE ARE ALL ONE BODY.

Saint Paul explains significantly the intimacy Christ longs for us to have with Him, as members of His body in 1st Corinthians:

"So that there may be no divi-

sion in the body, but that the parts may have the same concern for one another. If [one] part suffers, all the parts suffer with it; if one part is honored, all the parts share its joy." – 1 Corinthians 12:25-26

Just think: every time we go to Mass, we come together as one community, as one family, united to Christ, in one Spirit. Each of us is given the gift of having Christ reside within us in the Eucharist, and we live out our responsibility to share that love he has given us in two different ways:

1. BY LIVING INTENTIONAL COMMUNITY

Christ developed the Church to be a community of believers upholding discipleship: the goal to journey together and help each other live the faith in everyday life. The simple way of doing this in the Church today is through living out intentional community with the other members of this body. Whether it be simply through youth group or a Bible study in the Catholic club at your high school, approaching someone you've never truly had the chance to talk to before, and simply taking the time first to get to know the person allows room for discipleship to grow out of the friendship made. Christ was able to do just that with his disciples. Helping each other live the faith daily requires a sense of vulnerabil-

ity. This allows there to be room to keep each other accountable and uplift each other through the struggles of life.

2. BY SPREADING THE GOSPEL

We as Catholics have a call placed on our hearts from our baptism to be missionaries. In other words, to "make disciples" as Christ says in Matthew 28:19. You may be thinking to yourself that, as one person, you might not have as much of an impact. That's not true! By simply loving those around you through discipleship, others will be able to see his love within you. Your witness of living out the faith, even though you may not be able to see the work being complete, may be what brings that one person to God in their time of need.

Christ gives us the greatest gift: Himself, to be able to accomplish so much for the kingdom. However, we're not meant to do so alone.

"Now you are Christ's body, and individually parts of it" (1 Corinthians 12:27).

THE SOLEMNITY OF THE MOST HOLY BODY & BLOOD OF CHRIST - JUNE 23, 2019

Children's Ministries:

PRESCHOOL -GRADE 5

In today's gospel Jesus feeds thousands of people with five loaves of bread and two fish. Jesus wants to show them that God loves and cares for his people. There is plenty of food to eat with some left over. No one is turned away, everyone is welcome at the Lord's table. The multiplication of the loaves and fishes is the only miracle found in all four Gospels.

Family Questions:

- What does the miracle of the loaves and fishes teach us about God?
- Why is it important to share?

Infant Baptisms take place on the 1st, 3rd & 5th weekends during Mass; and on the 2nd & 4th Sunday in the chapel at 10:15am:

Dependent on clergy availability. Parents & Godparents requesting baptism for their child are expected to attend two preparation sessions prior to baptism. To register, and if you need childcare you must call the office beforehand. **509-966-5344**
