# MAKE HOLINESS YOUR GOAL

Growing in Faith October 2020

All people are called to be holy, *“Be you therefore perfect, as also your heavenly Father is perfect”* (Matthew 5:48). Achieving holiness requires a constant effort like climbing a mountain. To stop trying, even for a little while, is to lose ground. Daily effort will pay off with results.

**Look for Jesus’ presence.** Search for Him each day. Not only will awareness of His presence help you grow in love and kindness toward everyone, you will find it easier to control your faults.

**Don’t avoid suffering.** Jesus experienced extreme suffering in His time on Earth and used it to pave our way to Heaven.

**Pay attention to His voice.** Speak to Him, ask Him for help, express sorrow for your mistakes, tell Him you love Him.

**Nurture your faith.** Just as food nourishes our bodies, faith feeds our souls. Scripture is a staple of our spiritual diet. Ask for the inspiration of the Holy Spirit to meditate on Scripture every day.

**Practice patience.** It’s the first step toward holiness.

### The Search

What is this journey in between the event we call “birth” and the one we call “death”? Is the journey taking you somewhere, or are you leading yourself to some kind of destination – a destination that could extend beyond your last breath? What do you want from your life during the in between? The questions are there. And, the answers are too.

### FOR YOU AND OUR YOUTH

### The Adventures of Occee Nash

Based on Milam McGraw Propst’s award-winning novel, *A Flower Blooms on Charlotte Street*, *The Adventures of Occee Nash* is a delightful and inspiring film you won’t soon forget! Although nine-year-old Occee loves roaming Mississippi’s 1898 rural landscape, her widower father (Keith Carradine) feels that Occee lacks a role model to help her become a “young lady.” So, Occee boards a train to North Carolina, to be raised by her Aunt Mamie (Mare Winningham). Although Occee meets heroes like the Wright Brothers and the U.S. President, she ultimately proves that she, too, is capable of greatness in this heartwarming, rewarding film the whole family will enjoy.

# GIVE THE LORD GLORY AND HONOR.

## FIRST READING

*Isaiah 45:1,4-6*

The Lord chooses Cyrus to subdue the nations for the sake of Israel.

## SECOND READING

*1 Thessalonians 1:1-5b*

Paul greets the Thessalonians, recalling the Gospel they received.

## GOSPEL READING

*Matthew 22:15-21*

The Pharisees send their disciples to test Jesus with a question about taxes.

## FAMILY CONNECTION

<https://www.loyolapress.com/>

Payment of taxes is unlikely to be a disputed issue in your family. Yet families can still learn something from this Gospel reading. Jesus' answer to the Herodians and Pharisees redirects their question to focus on the issue of greatest importance: loving and honoring God. Taking this perspective can help us make good judgments about the competing issues of importance in our lives. As your family gathers, make a list of the activities that your family spends time doing together, such as household tasks, jobs, academics, and recreational activities. Talk about the importance of each of these activities. Ask what would happen if there were an imbalance in our attention to these activities and we spent too much time on one activity at the expense of another.

In today's Gospel Jesus reminds us of the necessity of giving things their proper importance. Read Matthew 22:15-21. The Herodians and Pharisees were giving too much importance to the issue of the payment of taxes. Jesus reminds them that loving and honoring God is of greater importance. In family life we do many important things, but we remember that God is of the greatest importance in our lives. Pray together that your family will learn to keep things in proper perspective, remembering to keep God first in your lives. Pray together today's psalm, Psalm 96.

**LIVING A STEWARDSHIP life**

It is all about your heart...  
Everything we have is a gift from God that we are to use to help others.

## Laudato Si'

Pope Francis TEDTalk

Our Moral Imperative to Act on Climate Change. Pope Francis TED Talk.

"If we are to keep the hope of avoiding radical and catastrophic climate change science tells us that urgent action is needed now. I would like to propose today three courses of action"

1. Promote at every level an education geared towards the care of our common home. We must understand that environmental problems are tied to human needs.

2. We must focus on water and nutrition. Access to safe and drinkable water is a universal human right. Providing adequate nutrition for all is needed using non-destructive farming methods.

3. Energy Transition: a gradual replacement, but without delay, of fossil fuels with clean energy sources. This replacement must be attentive to the poor, as well as, those who work in the energy production sectors.

"The Earth must be worked and nurtured, cultivated and protected. We can not continue to squeeze it like an orange. And we can say this.....taking care of the Earth.....is a human right.

FAITHFUL CITIZENSHIP

Every human being has a right to life, the fundamental right that makes all other rights possible, and a right to access those things required for human decency—food and shelter, education and employment, health care and housing, freedom of religion and family life."
