## FAMILY CONNECTION

<https://www.loyolapress.com/>

Palm, or Passion, Sunday begins the most sacred week of the Church year—Holy Week. During these days, we prepare ourselves for Easter by prayerful reflection upon the events of Jesus' Passion and death. You might display a crucifix in a prominent place this week, as reminder of the salvation Christ won for us. The crucifix can also be the focal point for family prayer during Holy Week.

Because of the length and complexity of the Passion narrative, young children have difficulty remaining attentive when it is proclaimed in its entirety. Families can choose to read a portion of this Sunday's Gospel each day of Holy Week, providing ample opportunity for children to ask questions and respond to the events described there. In this way, the entire week can become a "way of the cross."

Each day during Holy Week, the family can gather in a prayerful space with a crucifix as the focal point. The Passion as found in Matthew's Gospel might be read as follows throughout the week:

Sunday: Matthew 21:11-11 (Gospel at the Procession with Palms)

Monday: Matthew 26:14-25

Tuesday: Matthew 26:26-35

Wednesday: Matthew 26:36-56

Thursday: Matthew 26:57-27:14

Friday: Matthew 27:15-54

After reading from the Gospel each night, the family might reflect on the reading together. Conclude your prayer time together by praying the Lord's Prayer and/or singing an appropriate hymn, such as "Jesus, Jesus," "Were You There?" or "What Wondrous Love Is This."

CATHOLIC RELIEF SERVICES

Rhodora Enecillo serves dinner to her granddaughters, Loraine and Kate, at their home in Northern Samar, Philippines. Mealtime is when the whole family can share time together while eating healthy food from their farm and fishpond.

For many years, Raul and Rhodora Enecillo were coconut farmers but found it difficult to earn enough income to support their family. Recently, they were invited to join a CRS program where they received training and assistance to build their own fishpond. Now they can sell fish at the market, as well as provide nutritious food for their family. Through the program, Raul and Rhodora also learned how to better prepare for their region's increasing number of natural disasters, including typhoons, flooding, earthquakes and landslides. Raul and Rhodora take care of their two granddaughters, Loraine and Kate, and can now provide them with a more comfortable life so they can enjoy their childhood and finish school.

## ST. DOMINIC'S BOARDING HOUSE

HOLY FAMILY'S INTERNATIONAL OUTREACH MINISTRY

The 2022-2023 academic year just finished with 30 boys completing their schooling and religious training at St. Dominic's. Due to Covid and the Military Coup, these past two years Fr. Daniel and the boys have feared for their

lives, seen much of the St. Dominic's buildings and contents be destroyed along with the nearby public school. The older boys have stayed in hiding as they continue to be forced into the military or guerilla forces. We have been able to send donations to them for the past year although they have to be very careful in receiving our donations in fear of military and ad hoc government intercepting the funds.

St. Dominic's has been able to slowly replace destroyed items, beds, chairs and cooking utensils. The biggest replacement was to be able to build a new water tub for cooking and drinking. As Fr. Daniel says, "Thank you all for your continual support and prayers. We live in constant fear. Without your support we would not be able to continue." Their staff is down to a music teacher, Fr. Daniel, and one cook. We ask for your continued prayers and will keep you updated over the next few weeks.
